Issue 10 | **Term 2 Week 10** | **Thursday 4 July 2019**

From the Principal

Dear Parents

Thank you to our teachers, parents and students for all their hard work and support.

Once again this has been both a busy and successful term with a focus on the learning goals for each student, excursions, extra curricular activities and involvement in social justice activities. It is the positive relationships and respect that we have for each other that makes St Michael's a wonderful school. Thank you to everyone for their contribution to building a strong community of learners and faith filled people.

Grandparents' Day - Friday 26 July

Grandparents' Day Saints Joachim and Anne were greatly honoured by God who gave them a daughter conceived without sin who was to become known as the Mother of God. It would seem that they performed their parenting responsibilities with great grace. Their feast day on 26 July is a day to honour them and all grandparents for their contribution to our lives. At St Michael's we will celebrate Grandparents' Day on Friday 26 July. Grandparents' Day is a day when the school community get together to honour our Grandparents. To include our children in the Morning Tea for their grandparents, we would like to ask the school community for their assistance in providing a plate of food. Our P&F Committee and volunteers will coordinate the morning

We appreciate the support of our P&F Committee and volunteers.

Grandparents' Day 26 July Events:

- 8.00 am to approx 1.00 pm - Children's Book Fair in the Hall
- 10.15 am - Grandparents' Day Mass in the Church
- Approx. 11.15 am after Mass - Morning Tea in the Hall (Please note that the morning tea is for Grandparents/ Parents only. Children are not permitted to be in the Hall for safety reasons. Grandparents can see their grandchildren at 11.45 am when they visit their grandchildren's classroom/s.)
- 11.45 am – 1.00 pm - Grandparents welcome to visit their grandchildren in their classrooms.
- 1.00 pm—3.10 pm—Students will have their lunch and resume lessons after lunch. Please note this is a full day for the students and children remain at school until 3.10 pm. "

Tell them from me survey

Thank you to the 41 families who took part in the "Tell Them From Me" survey. The questionnaire covered several aspects of parents' perceptions of their children's experiences at home and school. We are grateful to our families for the feedback on learning, positive behaviour and the promotion of a sure and inclusive environment. Our results were on average where other schools are except for two areas where our results were much better than other schools, they were Safety at School and School Supports Positive Behaviour. Some of the things that parents said they really liked about our school or things that would make it even better were:

> "*The teachers are amazing in how they care, teach and direct our children whilst keeping us informed of activities in school. It would have helped if parents were provided a daily update on what has been covered in school."*
>
> *"I think the school communicates with parents very effectively. And that the teachers and other staff are to be commended for the positive culture of the school. We feel well supported and clear about expectations."*
>
> *"The school is very supportive of my child who has social anxiety which means he requires extra help to work through his feelings before attempting written work. This year he has been more comfortable and is slowly building confidence with the other children. I think this is driven by the teacher, support learning team, and community spirit within the school."*

"The school would benefit from allowing boys (and girls obviously) to play on the ovals more often. At various times the boys have been told they can't play soccer or with large balls and I don't remember ever being restricted in school. The large playgrounds were one of the reasons we decided to look at St Michael's in the first pace."

"I would also like more opportunities to extend the advanced children so they don't get bored. Perhaps clubs or paying for extra teaching staff to extend the kids during class time. It appears more effort is made towards struggling students than children who are ahead, but my experience is that ignoring either group results in stunted learning."

"On a more positive note I think the school had a good environment to grow in. It is strict without being too harsh and the kids know what is expected of them. The teachers do care but the job is insanely pressured - so much admin, so many tests and children with greater needs. I wish there was more funds to pay teachers more or to pay for extra TA's as per private schools in the area. I personally would be happy to pay $2k+ more a year per child to give teachers that extra TA support."

"It is a fantastic school. Kids are very well disciplined and the teachers are exceptional (the ones I have had the pleasure to work with)."

"Plenty of resources. Lots of play areas and open spaces. Wonderful Administrative Staff who are very approachable and helpful to students and parents. Good Policies regarding safety with Technology use."

"Far too much time spent on RE, prayer & church. Not enough time spent on academic education."

"Been a parent for 9 years at the school. Outstanding teachers and staff. Great people. Principal's awesome."

The feedback given will help us plan our goals for the future. More information will be provided next term.

Loving God, You guide your people across desert paths and bountiful gardens to discover your presence among us,
Help us to work toward your good and lead others to the paths of righteousness.
Through Christ our Lord, Amen.

We wish all our families a safe and happy holiday.

2020 Enrolments

We have received a large number of enquiries for 2020.

All positions for Kindergarten 2020 have been finalised.

We advise that we now have a waiting list for Kindergarten 2020 families.

If you have accepted a position for your child and decide to send your child in 2021, please contact us as soon as possible.

All enquiries, please the school office on 9865 1600.

Prayers

Please keep in your prayers the Prior family on the passing of the children's maternal grandmother (Daniel 4 Yellow and Ethan 2 Green).

Eternal rest grant to her Lord. Let Your perpetual light shine upon her. May she rest in peace.

We also pray for those in our community who may be unwell or suffering at the moment.

We ask this through Christ Our Lord, Amen.

School Bus Changes

There will be service adjustments for Hillsbus public routes from **Sunday, 28 July 2019**.

Our school timetable has been updated due to below changes:

- Route 601 will have path changes and timetable changes.
- Route T60 will be renumbered to 660 and replace Route 632 to operate via Castlewood Estate.

We advise all parents to check the bus service for their child before travelling on Monday, 29 July 2019.

For more details about the coming changes, please visit www.transportnsw.info

The updated timetable is also attached to this newsletter and will be updated on our website.

School Fees

The second instalment of school fees was due on 5 June. Third reminder letters have been sent out. Prompt payment is requested.

Thank you to all families who have paid their first and second instalment of the 2019 school fees and those continuing with their weekly, fortnightly or monthly arrangements.

If you are not on an arrangement and have outstanding fees we request these be paid immediately.

Should you be experiencing financial hardship, please contact Rasha Azar, Finance Officer on 9865 1600 for a confidential discussion. Thank you for your continued support.

Winter Appeal Food Drive

We would like to thank those families who donated to the 2019 Winter Food Appeal.

All donations were given to the Jesuit Refugee Service in Westmead. This service provides donated food items to asylum seekers living below the poverty line who find it difficult to afford basic food, goods and groceries.

We would also like to thank Mrs Orehek for delivering the groceries to the JRS centre in Westmead.

PBS4L Term 2

It has been wonderful to see the children's continued interest in PBS4L this term.

New Paws awards are now in circulation and have been awarded to children who are seen demonstrating the expectations we have been focusing on this term. Our lesson focus is driven by the over arching expectations of *Respect for self and others, Respect for learning and Respect for the Environment.*

This term we have focused on the following lessons:

- Be in the right place at the right time
- We use kind words and show manners
- We work collaboratively

The children have enjoyed the monthly challenge, coming together in their Mercy House groups to celebrate their achievements.

Year 6 Canberra Excursion

Old Parliament

The first thing we did on our trip was to go to Old Parliament House.

Inside we did a voting activity, of which included the people on the bus that I was on. After that we went to the old chambers.

Lastly we went to the museum that was part of the building, here we learned about the history of politics and colonial settling. *Claire M*

Parliament House

On the first day of our Canberra trip we went to Parliament House. Unfortunately there were no members present at the time. First we went to the House of Representatives.

The House of Representatives was completely GREEN! There were special areas for journalists and reporters to sit and take notes. There were upper rooms for school groups to have their tours and the rooms had sound-proof glass, as the Members of Parliament do not like interruptions.

The Senate was exactly the same, except everything was RED! Even the normally green exit signs. But the thing I found most interesting was a very loud fountain. They kept it there because they didn't want any visitors overhearing the conversation between the Members of Parliament. I even saw a prawn's fossil! *Mischa D*

War Memorial

On the 28th of June, Year 6 went to the Australian War Memorial in Canberra. We went on a tour around the War Memorial. We saw the Eternal Flame. I found out that the flame has never been extinguished before even if it rained or even worse, hailed. We saw all the names of the people who had died and what division of war they served in. What really shocked me was how many poppies I saw on the wall. It made me feel grateful and protected because if those soldiers didn't go to war for us, who knows what Australia would be like today. There were also two really cool light shows on the topic of war as well. I had a great time and also a great learning experience at the Australian War Memorial. *Zach H*

The National Museum of Australia

On Friday the 28th of June, Year 6 woke up in Canberra preparing to see the last venues of our excursion. When we got to the National Museum of Australia we went to a big theatre room and learnt about a really old box camera. Then we all split up with our tour guides and went to different attractions. Mr Baker's group went to the aboriginal exposition. After our tour guide had to go so we were allowed to wander around so we went to Kspace. Kspace was a room where we could make our own robot and use them on a console that was in a back room. Overall we had lots of fun at the National Museum of Australia. *Jonathan D*

Year 5 Youth Day

This week all Year 5 students participated in the *Year 5 Youth Day*, a faith formation day coordinated by St Michael's Faith in Action Team (FIAT) teachers. The themes explored on the day were 'You are the Now of God' (Pope Francis, World Youth Day Panama 2019) and 'Listen to what the Spirit is saying' (Australian Catholic Youth Festival 2019).

Students engaged in discussions, games, activities, prayer and praise experiences supported by Parish of Baulkham Hills Youth Minister Paul Fam and a team of 16 Parramatta Diocesan Youth Leaders. Students were also given the opportunity to ask questions and listen to responses relating to vocations and life of the Church with Fr Zvonimir. Stronger connections were built between our school and parish communities throughout the day and students learnt about ways they can share their faith with others and 'get connected and get involved' in the variety of youth ministry opportunities available through our school and parish.

Students and youth leaders shared their experiences of attending Junior Elevate Youth Group fortnightly on Friday nights during school terms and Winter Youth Camp every July school holidays. Students were also encouraged to become involved in Youth Masses, children's liturgies and altar serving, as well as join Faith on Fire and Mini Vinnies groups at school.

GET CONNECTED

Through their participation on the day,

Year 5 students developed a deeper understanding of how important their role is as young people in our church as 'the Now of God' and have been inspired to actively live their faith and 'listen to what the Spirit is saying' to them in their own lives. Year 5 showed great enthusiasm and a high level participation throughout the day and gave great feedback about their experiences!

We learnt about the theme of our Year 5 Youth day "Listen to what the spirit is saying" and "You are the now of God." We talked about how the Holy Spirit works in our lives. - Millie

We participated in plenty of fun activities! We played games with Paul Fam and the youth leaders, asked Fr Zvonimir about his vocation as a priest and made our own prayer journals in the afternoon. Overall it was an amazing day! - Blake

We met lots of youth leaders and one of the youth leaders (Josh) went to this year's World Youth Day in Panama. Josh shared his experience with us and how he met so many amazing people! - Lucas

Year 5 Youth Day was an awesome experience! I feel like my faith has really grown! - Elle-Maree

It was great to hear about what the youth leaders do to support us on our faith journey. We had heaps of fun! - Grace

Year 1 Socks and Beanies Appeal

The Year 1 teachers would like to sincerely thank all the Year 1 children and their families for their support and generosity in our 'faith in action' project, which stemmed from our Religion inquiry: **How can I be a friend like Jesus through my words and actions every day?**

Many of our Year 1 students did jobs at home so that they themselves could contribute to buying some warm socks and beanies for people less fortunate than themselves.

The St Michael's St Vincent de Paul Society will be coming to speak to the Year One children about where their donations will go. If you still have donations at home, there is still time to send them in as the bags will be collected in the first week of Term 3.

Representatives from Year 1 with the bags of socks and beanies that were donated.

We are learning to be a friend like Jesus through our words and actions every day.

COMPLAINTS AND GRIEVANCES

Policy and Procedures

At St Michael's Primary School, Baulkham Hills, the dignity of each individual is valued and the rights and beliefs of all members of the community are respected. St Michael's follows the Catholic Education Diocese of Parramatta Complaint Handling Policy and Procedures which is available from the school office and on the school website.

However, from time to time concerns may arise between different groups within the school community. At St Michael's we aim to attempt resolution as soon as any concerns arise.

Procedural Fairness

We endeavour to ensure that our student behaviour procedures and strategies allow for procedural fairness. We believe that procedural fairness is a basic right of all when dealing with school authorities. We apply the "right to an unbiased decision" and the "hearing rule".

The "right to an unbiased decision" includes the right to:

- impartiality in an investigation and decision making
- an absence of bias by a decision-maker

The "hearing rule" includes the right of the student against whom an allegation has been made to:

- know the allegations related to a specific matter and any other information which will be taken into account in considering the matter
- know the process by which the matter will be considered
- respond to the allegations
- know how to repair relationships and to "make things right"
- know how to seek a review of the decision made in response to the allegations.

In order to ensure procedural fairness, school staff need to be allowed to investigate and respond to matters in an appropriate manner. Parents must always communicate directly with the staff of the school when they have concerns about student behaviour, rather than approach individual students or parents with their concerns

Parents

Complaints or grievances pertaining to classroom issues or that relate to other children are to be dealt with by school personnel. It is not appropriate for parents to approach other children or other parents while on school premises to resolve issues.

The recommended procedure to be followed by parents is:

- The first point of contact is the child's class teacher. An appointment with the teacher should be made via the school office or directly with the teacher.
- If parents are not satisfied with the solutions offered or believe they have not been given a fair hearing, they are encouraged to make an appointment with either the Principal or Assistant Principal, to discuss the issue further.
- Parents are reminded that there are always two sides to every story and while it is important to listen to their own child, it is also just as important not to draw conclusions or make accusations until all the facts are known.
- Parents may also contact Catholic Education, Diocese of Parramatta for further discussion.
- All parties should aim to work towards a mutually agreeable solution to the grievance.

Students

The recommended procedure for students who have complaints or grievances is:

- If and when issues arise in the classroom, students are encouraged to speak to the class teacher in order to seek assistance in finding a resolution.
- Students encountering problems on the playground are asked to talk to the staff member on duty, who will then if necessary refer it to the class teacher or one of the school's Leadership team.
- Students may also speak to any other staff member regarding any issues.

Employees

The recommended procedure to follow is the procedure set out in the Diocesan "Complaint Handling Policy and Procedures."

Appeal

A person who is not satisfied the matter has been resolved appropriately may choose to appeal to the Principal of the school if the Principal has not been involved in investigating or examining the complaint, or is not the person named as the source of the grievance / complaint.

Alternatively an appeal may be made to the Director of Performance for the school who may be contacted at the CEDP.

For CEDP matters an appeal may be made to the Executive Director of Schools.
