Dear Parents

Thank you to all of our families who have so generously supported our recent Read-a-thon. We are hopeful that each class will reach their target of $1000. Congratulations to the eight classes who have reached their target and beyond. All money raised will be used to purchase reading resources for all classes K-6.

What a successful week for our Year 6 students who have been trying to make a difference in our world by setting up cake stalls, guessing competitions, etc and raising funds for Catholic organisations to support the disadvantaged. Thank you to our Year 6 parents for your support.

While most of our families are supporting the procedures in place to make our car park safe for our families, the problem has now shifted to the back path where parents are double parking and causing problems for our families and neighbours. Please do not place your family and our families at risk. Please obey traffic rules. Consider collecting your children a little later than 3.10 pm. Remember, safety and respect are of the utmost importance.

The following are some jottings made over the years while listening to people who are wiser than I am. There are “3 L’s” that our children really need – LOVE, LISTEN and LAUGH.

Love

Children today need a lot of love; often they put on a brave front and appear so self-confident. However, they need tons of love that must be sincere and honest. One of the best expressions I’ve heard is, ‘children have no defence against affection’. Yes, they need to know from us that God’s love is real and they should be able to see it in OUR lives – the more Christian we are the more loving they will be.

Listen

How many times have I heard children say – ‘No one listens to me!’ Yes, it could be true. Many times they are trying to tell us so many things, but we are too busy and too tired to listen. I often think children are God’s most precious gift to us, so let’s grow together and spend more time with each other. You know the good Lord gave us two ears and only one mouth – is He trying to tell us something?

Laugh

We see and hear so many sad stories today; let’s not be one of those sad stories, let’s spread happiness in our homes and to all we meet. I’m sure the Lord, Himself, was a happy and cheerful person – who would follow a ‘sad-sack’? He loved children, had many friends and His whole teaching was one of thinking of others; this makes us better people – the more unselfish we are the happier we will be. It’s great to listen to a good laugh. You know we have so many reasons to be happy, each one of us has been blessed in so many ways. If we sat down and thought of all the nice things in our lives, I’m sure we would be surprised. Children have a wonderful laugh and are not afraid to do so; let’s become more like them.

I hope the comments above are a source of inspiration and renewal of the good intentions that so filled us when we invited our children to share our lives.

Our children are with us only for a short time. Before long they will set out on the journey of their own life. The question is, how hospitable were we to them during that short time?

“Lord, Help me to clear a space in my heart for other people. Let it be free from the everyday clutter of my personal activities. Let it be a place where loving, listening and laughing are readily available. Amen.”

Wishing you every blessing for the week ahead.

Fr PJ—Thank you

I extend my heartfelt thanks to all St. Michaels’ Parish community members and St. Michaels Primary School staff and students. To those I may have wronged I ask forgiveness, to those I may have helped. I wish I did more. To those I neglected to help, I ask understanding. To those who helped me, I sincerely thank you. I have more people to pray for now and you are not forgotten. I love you and miss you all.

Calling All Dads!
http://education.byu.edu/youcandothis/dads_reading_to_children.html

Research* shows that children’s literacy levels improve substantially when their Dads get involved with reading. Dads and other male carers are just as important as Mums in encouraging children to enjoy reading - perhaps even more so, since reading can often be thought of by boys as a “girly” thing to do. Dads can be role models and seeing them enjoying reading will help boys to realise that they too will enjoy reading.

How quickly it comes around! It’s nearly that time of year again when we ask Dads and Grandads to come and read to their child’s class.

On Friday 5th September, anytime between 9 am to 10 am and before the Father’s Day liturgy, we would like as many Dads and Grandads to come read a story to their child/grandchild’s class.

We have plenty of stories for you to read from and we know that the children really enjoy you reading to them.

If you are interested, could you please fill out the form below and have your child return it to school.

Peer Support at St Michael’s…..

The Year 6 leaders at St Michael’s are ‘Promoting Harmony’ among all the students throughout the school. This powerful message is being communicated to all the students in groups of seven to nine students. Also, there is range of students in each group eg each group comprises of a Year 6 leader and his/her buddy, Year 5 student and his/her Kindergarten buddy and then a Year 4, Year 3 and Year 2 student respectively.

The program commenced last week with the first session lasting an hour. There was an introductory session where the groups had to firstly define the term ‘VALUES’ and then engage in conversation and elicit ‘Values for Australian Schooling’.

Some of these values included were: Care and compassion, Integrity, Doing your Best, Respect, Responsibility, Understanding, Tolerance, Inclusion etc.

In the second half of this session, the Leaders promoted the theme of, ‘Valuing Each Other’.

The activities in this session included: Who Am I and What do I Value?, Group Agreements, The Lizard’s Tail, What are values? Then chatting about the similarities and differences about their choices of values.

This programme will support students to develop the skills, knowledge and attitudes necessary to actively and critically construct shared VALUES.

There are eight sessions for this programme:
*Session 2: Showing you Care;
*Session 3: Caring Friends;
*Session 4: Respecting Others;
*Session 5: Our Rights;
*Session 6: Making Choices;
*Session 7: Doing My Best;
*Session 8: What can I Do?.

It is recommended that parents and carers support the Peer Support Programme by discussing with your child/children the activities, concepts and understandings they are developing each week. This will help to foster a positive communication between school and home.

News from 2 Green

Imogen: In Religious Education we have been learning about Reconciliation. I learnt that when things are broken, they have to come together to be mended. That means that we should sit down with the person we are fighting with and try to reconcile our problems so that we can be friends.

Zachary: I love hearing stories from the Bible about lost and found. I learnt about the lost sheep, the lost coin and the lost son. My favourite part is when they celebrate because the lost thing is now found.

Naden: In Mathematics we are learning about time. I know how to write half past the hour in a number of ways and I can write it on an analogue and a digital clock.

John: I love playing the Place Value game in Mathematics. It is lots of fun and it helps me to learn about tens, hundreds and thousands.

Maximus: In PDH we are learning lots of ways to protect ourselves, others and the environment. I am interested in learning about protecting myself from chemicals and other harmful substances.

Georgia: In PDH we learnt about trust and how it is important to have a network of people that we can trust. Mrs Gleeson can always trust me to take responsibility and do a job properly.

Javier: I love learning about fables in English. There is always a special message or moral to the story at the end.

Scarlett: We have read lots of fables in English. My favourite is “The Lion and the Mouse”. The message is that even someone big needs someone small to help them.

Liam: I love doing Independent Writing because I get to write a story for a whole week. We write for 15 minutes each day and I add to my story each day. Sometimes I get to choose my own topic and sometimes I write about an item from my treasure bag.

Thomas W: I have learnt lots of water facts this term. I have also enjoyed learning about the water cycle and learning big words like precipitation, condensation and evaporation.

Juliana: I have learnt about conserving water because it is precious. That means we should not waste any water at home or at school. Did you know that there is as much water on Earth now as there was when Jesus was alive?

Outright Winners at the Cluster Final

On the 21st August, St Michael’s, St Pauls the Apostle and St Angela’s met at The Voice of Youth Cluster Final for the Lower Hills Cluster.

A little after 9:30 am the contest began with three speakers from each school delivering inspiring and passionate speeches on a range of topics. The speakers entertained the audience with their stirring speeches that left the three judges, Alex Wilson, Col O’Connell and Chris Ostrowski, a difficult task of choosing a winner. After some deliberation they made the much-awaited announcement.

In third place was Corey Fitzsimons, with his speech on ‘Heal the world’. In second place was Nicholas D’Silva with, ‘Modernising Fairytales’. The winner for the contest was Lara Angseesing with her innovative and captivating, ‘The Messages behind Movies’.

Georgie Lamond and Isabella Bovino did exceptionally well in their presentation and are also congratulated for the high standards they set for themselves.

Lara will now represent St Michael's at the Eastern Division Semi Final, at Our Lady Queen of Peace, Greystanes. At this forum three speakers will be chosen to represent their school in the Grand Final.

St Michael's have won the grand final in 2011 and 2013. The success of the students at this academic event can be attributed to the dedicated teachers of the school. The teachers, through their English teaching programmes, make their teaching holistic. Throughout the school, teachers work tirelessly for making English relevant to the needs of all students. The fruition for the success of the students is showcased in the results of events such as the Voice of Youth public speaking.

Fr Mick, Mrs Maka, Mrs Knispel, teachers and students wish Lara the very best at the divisional semi final.

DROPPING AND PICKING UP CHILDREN

It has been mentioned to us that parents in the morning and afternoon are pulling over to the kerb and stopping in No stopping zones around the pedestrian crossing to drop off children or pick children up while traffic is also moving past their cars.

This practice is dangerous for every child in this area, including your own. Please do not put your children or the lives of others in danger. This practice is also illegal and heavy penalties apply.

It has also been brought to our notice that this type of practice is occurring in the streets around the back gate area as well. Parents are calling children over to cars that are parked illegally, including double parked, and children are weaving in and out of cars to jump in while the engine is running. This is an accident waiting to happen and should be prevented at all costs by every parent who is using this area.

We ask that you please observe safety at all times, park according to safe road practices and walk to the back gate to pick up your child. It is good exercise for you and your children rather than placing them at risk dodging cars and causing undue stress to everyone else.

Your child is watching the example you are setting.

There is an old saying “the apple doesn’t fall far from the tree”. Your children will be drivers one day too and will follow your example.

Please set a good example by teaching them to be safe and courteous to everyone.

Tea Towel Fundraiser

We are running a Tea Towel Fundraiser!

The unique tea towel design is made up of face drawings by all our students. The drawings are arranged into a commemorative design as such →

Kindy on one towel
Year 1 + 2 together on one towel
Year 3 + 4 together on one towel
Year 5 + 6 together on one towel

Then they are screen printed in dark blue onto high quality white tea towels.

We chose tea towels because the project gets the children involved, produces a wonderful memento and meaningful gift for parents, relatives and special friends. The tea towels look amazing, are so easy to post to relatives and friends. They make a fabulous reminder of your child’s early years.

ONLY $15 for a limited edition tea towel. Tea towels can be ordered by dropping the order form below with payment into the P&F mailbox in the office in an envelope clearly marked “TEA TOWEL ORDER”.

Make sure you don’t miss out! Preserve your child’s artwork and remember friends forever!
