From the Principal

Dear Parents

Thank you

I would like to take the opportunity to thank the students and teachers for all their effort and hard work so far this year.

Thank you to our St Michael's parents and the P&F Committee for your support with the social and fundraising activities that take place at the school. Your contributions are invaluable. Our fundraising activities such as the Number-a-thon and Pyjama Mufti Day add some additional excitement to the children’s day as well as building community spirit. The Number-a-thon has raised $19,584.40, so far. This money will be used to purchase additional technology and reading resources.

Thank you also for supporting our social justice fundraisers for Caritas, the Diocese of Rockhampton, St Vincent de Paul and the Diocesan Works Fund. Your contributions assist these programs to continue the great work they do each and every day.

Car park and back path

Thank you all for your patience, support and understanding while the building work has been going on. The front entrance to the school will be in operation at the end of July and we all look forward to this area being reopened for easier access to the school.

It is important that children see their parents being respectful of each other, practising safe driving rules and being courteous at all times. A big thank you to our parents who continue to do the right thing and lead by example with their children. Please continue to be mindful and courteous with each other as you use the car park and back path in the afternoons.

Quality Catholic Schools Survey

Thank you to the families and students who took part in the Quality Catholic Schools Survey. The following is an extract of some of the positive data that we received from the survey:

- Staff, children and parents believe our Catholic parish involvement, both in their own local parish and participation in school based liturgies and sacraments, is very strong.
- Our parents value the opportunity to participate in prayer, celebrations, liturgies and sacraments to reflect on their faith.
- All stakeholders are satisfied with their experience of Catholic culture within our school.
- Students like and feel connected to the school. They feel the teaching is effective and the learning is stimulating.

Reflection

We are all called to be God’s light in this world. We are the ones to be witnesses to his compassion and love, not only through our words but in our way of life. We are asked to serve those less fortunate. We are asked to be patient, understanding, kind and sacrificing to other members of our family and our friends. It is easy to criticise, to point out the faults of others, to condemn and complain about others but when we do these things, we move into “darkness” and God’s face no longer shines through our countenance. We can, however, retrieve our Christian calling and allow its “light” to be for the benefit of others.

“Jesus, light of the world, shine through the darkness bright as the day.
Jesus, light of the world, shine in our hearts, show us the way. Amen.”

Wishing you every blessing for a safe and happy holiday.

First Communion

Congratulations to the children of our Parish who made their First Communion last weekend. Thank you to all those who enabled the children to reach this important stage in their faith journey—parents, facilitators, home hosts and to all who in any way assisted in the children’s preparation and in the ceremonies to celebrate First Communion. A special thank you to Trish Finucane (Sacramental Coordinator) and the Sacramental Team for your continued commitment in facilitating, once again, the preparation of the children for this important sacrament.

**Choir News**

The St Michael’s Choir will be performing some of their songs from the Captivate Showcase at the school assembly on Friday 26 June. It would be lovely to see many faces at the assembly to support them.

**Year 6 Canberra Excursion**

**Parliament and Civics Education Rebate (PACER)**

Students from our school will soon be undertaking an education tour of the national capital. Students will be given the opportunity to participate in a variety of educational programs with a focus on Australia’s history, culture, heritage and democracy.

The Australian Government recognises the importance of all young Australians being able to visit the national capital as part of their Civics and Citizenship education. To assist families in meeting the cost of the excursion the Australian Government is contributing funding of $20 per student under the Parliament and Civics Education Rebate program towards those costs. The rebate is paid directly to the school upon completion of the excursion.

**School Zones**

**Parliament and Civics Education Rebate (PACER)**

A reminder to all our parents ahead of the break at the end of Term 2 that school zones remain in place for the safety of our children and families.

Schools zones operate on all gazetted school days, which are all days the school is open, even pupil free days. School zones operate as normal until Friday 26 June and resume on Monday 13 July 2015.

**No parking—Villas in Chapel Lane**

The Villas in Chapel Lane next to the school are private property. Please do not park on the grass areas, footpath or driveway as this is dangerous for children walking to and from the school. Council rangers will be patrolling this area and fines will be issued.

**Banking**

There will be no banking on Tuesday 21 July due to the Netball Gala Day.

*Kim, Banking Coordinator*

**School fees**

Term 2 school fee statements have been issued and are now overdue. Please settle all outstanding fees.

If you have any issues regarding school fees, please contact Linda Borsato in the school office on 639 0518 or alternatively you can email lborsato@parra.catholic.edu.au

Mrs Siountris—In 2Green, we love our creative writing sessions! We like to discuss our ideas and draw a plan before we construct our sentences. This week, our focus was "If I were Principal for a Day...". Here are some examples of our work. Which Principal would you like to have for a day?

Frederick Taylor: If I were Principal for a day, I would have a zoo, smoothie machine and a helicopter. Also, I would have an ice cream shop and an iPad with Minecraft on it.

Jamie-Lee Alam: If I were Principal for a day, I would have hot chips in the canteen. I would make the playgrounds into parks. I would tell the builders to make the school out of candy. I would make all the boys wear dresses.

Mitchell Essex: If I were Principal for a day, I would put a roof over the school and put dispensers on the roof so whenever it rains, lollies come out. I would make a candy entrance. Next, I would turn the teachers into robots. Lastly, I would give everyone iPads.

Mischa D’Souza: If I were Principal for a day, I would make the teachers vampires. I would also change the school into a fashion show school. I would change the uniforms and make them fancy.

Jay Puglisi: If I were Principal for a day, I would make all the buildings upside-down. I would tell the builders to build a skate ramp on top oval. I would tell the teachers to give 15 lollies to every child in the class at home time. I would give the builders a plan to build a lemonade fountain.

Elizabeth Harvie: If I were Principal for a day, I would tell the builders to make the school out of candy. I would make the boys wear dresses. I would make the girls wear boy clothes. I would tell the teachers to wear school dresses so all of the kids could laugh.

Mrs Horn: This Term 2 Green have also been working on improving their public speaking. In our class we created at “Book in a Bag.” The students designed a creative bag with information about an enjoyable book they have read. The children presented a speech that explained characters, settings and 3 objects that represented the events within the story.

Woolworths Earn & Learn
St Michael’s will be participating in the Woolworths Earn and Learn Program. This community program enables schools to earn educational resources when anyone from the school community shops at Woolworths.

Starting on Wednesday 15 July, when anyone from our school community shops at Woolworths, they can collect stickers to place on their sticker cards. One sticker for every $10 spent.

Once the sticker card is completed, these can be placed in our collection box in the school office.

The program closes on Tuesday 8 September and we will send all the completed sticker cards to Woolworths.

Our school will be able to choose resources across all curriculum areas from Modern Teaching Aids.

If you shop at Woolworths we hope that you will be able to support St Michael’s with the Earn and Learn Program.

Further information can be obtained from the school office on 9639 0518

TSA Band Camp 2015!
Yes, it’s that time of year again! Pull out your best swimmers for the waterslide, your grooviest PJ’s for the pyjama disco and get into training for the staff versus students beach volleyball match!! (Oh, and you should probably practice your band music too!)

Whilst most kids come to camp for the excitement of new friends, fun activities and a weekend away, the real benefit is in the valuable experience (both musical and social) gained from such intensive time spent in such a highly musical environment. With over 8 hours of face-to-face tuition over the weekend, there is over a term and a half worth of 30 minute lessons to be had! Camp is also a valuable experience for students that may be losing interest in music and need a boost of enthusiasm and practice to get them to a level where they can enjoy their music and performance.

Notes for camp should have already been received by band parents via email outlining details including cost, venue, times and dates. If you did not receive this email or you need another copy, please visit www.teachingservices.com.au and download the note from the ‘Band Notes’ section of the website. Permission notes, along with deposit, need to be returned ASAP to avoid missing out as the camp participation needs to be finalized at the beginning of Term 3.

STOP AND DROP VOLUNTEERS
Thank you to all the volunteers who have volunteered for this year. Your time and efforts are very much appreciated by everyone in our community.

We still need to recruit some new volunteers to assist with Stop and Drop.

All it requires is half an hour one morning once a month, so if you have ever thought you’d like to volunteer now is the time! Please contact Debbie Grehan at deborah.grehan@bigpond.com or return the following with your details to the School Office.
