From the Principal

Dear Parents

Parent/Teacher/Student conferences

Parent/Teacher/Student conferences will be held in Week 3. Please ensure that you have booked a time with your child’s teacher.

Parent/Teacher/Student conferences open the eyes of students to their own learning and to help them take personal responsibility for their progress.

In preparing for a student-led conference, students see how their strengths, weaknesses and behaviour can affect them as learners thus allowing them to take more responsibility for and control over their achievement in school. These conferences are an experience that can improve the communication patterns of both students and parents. Students learn how to reflect on their own learning, evaluate their progress and communicate this information to their parents. Parents learn how to listen to their child, how to encourage growth and how to best help their child with specific problems.

The “student's voice” is a very important aspect of this conference. Parent/Teacher/Student conferences are valuable because:

- Students are given the opportunity to accept responsibility for their learning.
- Student-parent communication can be improved.
- Students become self-evaluative about their role in the learning process.
- Students become more conscious about what they are supposed to be learning in each Key Learning Area.
- Students self-identify their areas of strength and areas of weakness.
- Students (with their teacher’s assistance) select work that accurately reflects their progress.
- Students and parents can see long-term growth and learning.
- Students work on improving their organisational and oral communication skills.
- Students, parents and teachers can engage in honest dialogue about student progress.
- Parent/Teacher/Student conferences can solidify the home-school partnership approach to student success.

The following are a few hints that may be useful in preparation for the Parent/Teacher/Student conference:

- Express positive interest and anticipation about the upcoming conference.
- Be on time.
- Listen and respond to the student.
- Express pride in growth and progress.
- Ask questions
- Be positive, offering to help in areas where improvement is needed.
- Recognise that students need to develop independence in communicating progress—the teacher will be there to facilitate and answer specific questions but student input is vital.

   Lord, as you call each of us by name, may we call the names of one another with affection, respect and reverence. As you accept and love us the way we are, give us the wisdom and courage to do the same for ourselves and for all our sisters and brothers.

Wishing you every blessing for the week ahead.
Religious Education

Good Friday Stations of the Cross and support of the Easter Masses

A special word of thanks to the children from St Michaels who participated in the Good Friday Stations of the Cross. The liturgy focused on the crucifixion of Christ. The children are to be congratulated for their reverent and prayerful involvement in the role play. We would like to thank the children of St Michael's who also assisted in the celebration of the Easter Masses as altar servers.

Project Compassion Caritas Appeal

We would like to thank the families who have supported the Project Compassion Box appeal. The money raised will go towards establishing humanitarian projects focused on education and creating change in the lives of the disadvantaged people in the countries of Cambodia, Laos, Papua New Guinea and India. In this the Year of Mercy, Pope Francis has stated that “Education is an act of hope.” Through fund raising programs like these, we can all help to provide vital learning and renewed hope to children, women and men most vulnerable to extreme poverty and injustice.

Sacrament of Eucharist Preparation Program

This Sacramental preparation program commenced on Tuesday 26 April. Last weekend the children participated in the enrolment ceremony. Please keep the children involved in this important preparation period in your prayers. If you have any questions or concerns please contact the Parish office on 9639 0598. This program will be repeated again in Term 4 of this year, so that the children who have just received their first Reconciliation, can continue their Sacramental Journey.

Social Skills and Mantras Program

Week 2: The Circle concept

- The ‘Circle concept’ teaches a child about personal space and appropriate behaviour with others, depending on what their relationship is to the child.

Week 3: Sign language: Thumbs up, thumbs down

- We all have the right to feel safe all the time.
- Sign language—Thumbs up: I feel safe.
- Thumbs down: I don’t feel safe.
- This can be used in the classroom, playground and at home.

Sympathy

Please keep in your prayers Mrs Knispel and her family on the passing of her nephew, Louis Urquhart.

Eternal rest grant to him Lord. Let Your perpetual light shine upon him. May he rest in peace. Amen.

2017 ENROLLING NOW

Interviews are currently being booked for siblings and new families.

Enrolment packages for Kindergarten 2016 can be collected from the school office.

Please return your Enrolment Application as soon as possible so that an interview can be arranged.

Enrolment at St Michael’s Primary

Enrolment at St Michael’s Primary Catholic School includes your return of the Enrolment Application with supporting documentation including copies of the following:

- Passport photo of your child (original)
- Birth Certificate*
- Baptism Certificate*
- Immunisation History Statement* (visit www.medicareaustralia.gov.au or call 1800 653 809 and request your statement)
- Passport with visa* (if not Australian Citizens).

*Originals of all documents must be sighted at the interview or upon lodgement of the Enrolment Application via the school office.

It is essential that both parents/guardians sign the different sections of the Enrolment Application.

When you return your Enrolment form, you will be invited for an interview with your child.

The school office will contact you to organise a time for this interview as soon as possible.

Further Information

For further enquiries please contact the school office on 9639 0518.

ANZAC Day Primary Schools Launch

On 5 April, the School Captains and Vice-Captains went to the Castle Hill RSL Club for the announcement of the Hills student ANZAC Ambassadors. One ambassador talked about the bravery of everyone—the wives, the children, the parents and the soldiers. Some other speakers spoke about the ANZACs and their history. All in all, it was an enjoyable two hours. We will remember them. Lest we forget.

Thomas, Jessica, Liam and Sophia

### NAPLAN Assessments 10-12 May

NAPLAN is an annual national assessment that provides parents, schools and policy makers with an important snapshot of information and how well students are performing in the key areas of literacy and numeracy.

The assessments are an opportunity for students to demonstrate what they have learned in class. Teachers use these results to meet the individual literacy and numeracy needs of all students. NAPLAN takes just a few hours out of a few days every year, and has become a routine part of the school calendar. NAPLAN test days should be treated as just another day in schools.

Students should not stress about NAPLAN. Basic familiarisation with NAPLAN is appropriate, but beyond that NAPLAN is not a test for which students can or should ‘cram’. All Year 3 and Year 5 students are expected to participate in the NAPLAN tests. There are four tests covering numeracy, reading, writing and language conventions (spelling, punctuation and grammar).

News from K Red
We have all settled in to Kindergarten very well and are learning lots of great things. Here are some of the things that we love about kindergarten.

I love learning how to draw detailed pictures. Elahni
I love doing colouring in. Kristian
I love playing Karate with Orlando. Tyler
I love making lots of new friends. Riley
I love learning how to write words and sentences. Molly
I like learning my numbers. Tierie
I love learning how to sound out my words when I am writing. Maisie
I like learning how to read lots of words. Ollie
I like painting pictures. Cooper
I love sharing the toys with my friends. Gianna
I like counting to numbers that are bigger than ten. Emily
I like learning how to play safely. Eva
I like sharing the balls on the playground. Chloe
I like going to the canteen. Jackson
I love learning how to do clever thinking in Maths. Declan
I love learning about ‘Friends of Ten’. Anica
I like learning to count up to 100. Natanya
I love doing sport with Mr Kovelis. Jared
I love doing craft in our class. Bianca

Sport
The Mackillop Diving nominations are open. If there are is anyone who does diving lessons/ competitions please see Mr Kovelis for entry details. This is not a come and try event. Students with experience only can apply.

Paul Kelly AFL Cup—20 April 2016

### School Banking
The banking team are looking for a parent volunteer to help with the processing of the school banking on Tuesday mornings. No experience required.

This is a great way to meet new people and help the school.

If you would like to join the team, please contact, Kim on 0409 741 465

### Anzac Day Wreath Laying
On the 25th of April, five of our school leaders took the opportunity to go to the ANZAC Day Dawn Service at Wrights Road. We represented our school by laying our wreath in front of the memorial stone in our school uniforms along with many other schools. The five school leaders that had the opportunity to participate in the wreath laying were Thomas McGoldrick, School Captain; Jessica Wahab, School Captain; Ruby Carlick and Emma Boutros, Community Leaders; and myself, Georgia Cowling, Red Colour House Captain.

The Commemoration began at 6.00 am, before dawn. During the service the Last Post was played, The Ode was read, and the New Zealand National Anthem (in both English and Maori) and the Australian National Anthem were sung.

Being able to lay a wreath in commemoration of the ANZACs was a great privilege and I would like to thank Mrs Maka for allowing us to do this and Mrs Lee for organising this opportunity for the leaders. I hope this tradition will continue at St Michael’s for years to come.

Georgia Cowling

### Change in contact details
Please let the school office know if you have recently changed your contact details such as phone numbers, email addresses. Thank you.
Throughout our school we have a number of children with life threatening allergies (Anaphylaxis) to various forms of food, latex, dust, cats and insect stings. This is a serious matter, one that our school must address.

Some children have allergies that are so severe that smells or touch could trigger a reaction.

In order to do this we appeal to all parents to assist us in caring for these children by considering the type of foods you pack for your own child’s recess and lunch.

Our aim is to minimise the amount of peanut and tree nut products brought into the school. These foods are extremely dangerous to our children with allergies and cause 50% of food allergic deaths.

Common foods that trigger an allergic reaction are listed below and we ask you to refrain from sending them to school and to seek suitable alternatives.

<table>
<thead>
<tr>
<th>FOOD TYPE</th>

</tbody>
</table>

The Canteen does not sell any of these products.

In the case of a child bringing a nut product to school, teachers will bring the matter to the attention of parents.

There are many foods that DO NOT contain peanuts or nuts in their ingredients list, but the food package has the statement. “May contain traces of dairy, nut or seed”. This food may be brought to school and consumed only by non-allergic children.

Due to safety and concerns, we discourage children from sharing food and drink. We would also appreciate parents speaking to their children regarding this matter. Your child’s diet at home need not change.

Below is a list of foods that are safe for you to choose from. We’re sure you can think of many others.

- Fruit and vegetables
- Dried fruits, Fruit snack packs
- Vegemite, jam, honey, cheese spreads
- Parker’s Pretzels, Rice crackers
- Chips, Popcorn
- Plain biscuits – sweet or savoury – without nuts
- Chocolate biscuits – without nuts
- Plain Cornflakes, Rice Bubbles, Weetbix, etc – without nuts
- Fruit based muesli bars and snack bars – without nuts
- Yoghurt – without nuts mixes
- Lollies and confectionary items – marshmallow, spearmint leaves, jelly babies, snakes, raspberries, etc without nuts.

Basically we ask you not to send food to school with your child that contains a nut or nut product in list of ingredients.

We thank you for helping us to provide a safe environment for all children at St Michael’s.
For those families that gave permission to receive raffle tickets, they went home last term. You can request more ticket books by emailing the P&F - pandfstmichaels@gmail.com. If you are unable to participate, please return the unused ticket booklet to the school. Thank you!
