Dear Parents

Thank you
Thank you to the P & F for making Mother’s Day a wonderful day for all our mums. The Mother’s Day stall and morning tea were wonderful. The gifts were beautiful and would bring a smile to any mum’s face!

Parent / Teacher / Student Conferences

These conferences have been well attended by parents across all grades. This is an important meeting for parents, students and teachers. Every member of this team has an opportunity to contribute to the discussion. Most importantly, our children have to step up and take responsibility for their learning. The learning goal that is discussed and set for the next term is an important outcome of this meeting. Thank you for your continued support.

Parish Car Park—Stop and Drop

To improve safety with Stop and Drop and pedestrian access to the school, please do not park along the fence line at the bottom of the car park under the trees as it is dangerous when cars are reversing out of this area while pedestrians are walking into school and for cars going around the roundabout. Please park in the main section of the car park.

We have been advised of an incident in the Parish car park where parents were in the queue dropping off their children in the morning and another car drove on the inside of these cars onto the yellow lines to drop their child off. This incident could have had tragic consequences. Please remember that this yellow lined area is for pedestrians only and no cars should be parking or stopping on these lines or driving on the inside of other cars in this area.

We would ask that you please be conscious of safety and take extreme care in all areas around the school to ensure the continued safety and wellbeing of the children, our families and our community.

Outsourcing of Uniform Shop

There is no need for any concern with the changeover to online ordering which will take place next term. In Term 3, parents will be able to order online and uniforms will be delivered to the school twice a week. Sample uniforms will be available at the school office for children to try on for the correct size.

We will continue to accept second-hand uniforms and sell them to families twice a term. The uniform will stay the same and the quality will be maintained.

Reflection

Helping our children cultivate hope might be one of the most important things we do for them. Not only will it help them to make learning gains, it will give them the confidence and creativity to reach their long term goals in school and life.

- Help your child prioritize their top goal.
- Breakdown the goal. Help your child understand that goals cannot be achieved at once. It takes a series of steps, lots of practice and small celebrations of their success along the way.
- Help your child see past any obstacles. Help them problem solve how they will achieve their goal.
- Tell stories of success. Tell them stories of other people who have overcome adversity to reach their goals.
- Keep it light and positive. It is important to teach students to enjoy the process of attaining their goals, even to laugh at themselves when they face obstacles and make mistakes.

Research has found that students who use positive self-talk are more likely to reach their goals.

Lord, at the coming of each new day,
Open my eyes to look upon Your world with fresh wonder;
Open my ears to hear Your voice in the life giving sounds around me;
Open my hands to touch the beauty of creation both natural and man-made;
Open my mind to touch the mystery of life and my heart to love. Amen.

Wishing you every blessing for the week ahead.
Staff Development Day

Monday 23 May will be a professional learning day for the staff. There is no school for the children on this day.

The Staff of St Michael’s will be participating in a spirituality day looking at the works of Mercy in this Jubilee Year of Mercy. It will be an opportunity for staff to come to a deeper appreciation of God’s Mercy and the responsibility we have to share it with others.

Fifth Annual Hills Youth Leaders Reception at Parliament House

On Wednesday 11 May, Thomas and I went to the NSW Parliament House for a great afternoon tea. It was an amazing experience because we got to speak to a lot of inspiring leaders. I was lucky enough to get the opportunity to ask Greg Mullins [The Commissioner of Fire Rescue New South Wales] questions. He told me about his hard experiences and how he was always inspired by his dad.

I think one message I will take away with me is to always take the little steps to get to big places. Jessica Wahab, School Captain

Band News—Battle of the Bands

On Sunday, 1st May 2016, the senior band at St Michael’s went to a competition called “Battle of the Bands”. It was at St Madeleine’s Primary School in Kenthurst. There were seven schools including ourselves who attended eager to win $1500.

We were the first school to perform our three songs. They were called “Theme from Spider-man”, “Cruise Control” and “Surfin’ USA”. We had learnt these pieces in Term 1 and were ready to perform them in front of three judges and a big crowd.

When we got up onto the stage, we were given two pegs each to prevent our music sheets from flying away in the wind. Unfortunately, the wind took over and our music sheets were flying everywhere while we were playing. Although this was a huge problem, we managed to keep going and we did very well.

After all of the bands played, we found out who won and who the runners up were. We came fourth which meant we earned $500, which we could use for stands, instruments or maybe even a bus trip!

Overall, we all had lots of fun and it was a great experience for everyone. Even though we didn’t win we had a great time that everyone would remember.

### 1 Red News

1 Red has been reading the **Terrible Plop** and has been able to retell the story in their own words.

There once was a bunny and he heard a plop. Oh no! It is the terrible plop. So it ran and ran telling the fox and elephants. Next they stopped at the big brown bear. He did not believe that there was a plop so he ran away and the bunny ate chocolate cake. **Andrew**

The bunnies were eating food. They realised that there was a big plop and the rabbits told everyone. Then there was a bear. He said “Stop!” The bear picked up a rabbit. He said, “Where is the big plop? Follow me.” **Bella**

At the start of the story the terrible plop came. All of the rabbits ran away. So did the other animals. Then in the middle they came to the bear. He wasn’t scared but they ran away and the little bunny got caught. The bear said “where is it?” Then he showed it to him. Then he got scared. Then the littlest one stayed there and ate his cake and said to him I'm not scared. Who's scared of the plop?” **Chloe W.**

The little rabbit was near the river with all his friends and eating a piece of cake. Then the little rabbit heard a plop in the river and ran away. Then the other animals followed the bunnies. They were afraid of the terrible plop. **Joshua**

At the start an apple fell in the water and made the terrible plop. Next the rabbits ran, the fox ran and the cheetahs ran and the other animals ran but the deer did not run away. He said to the little rabbit “show me where is the terrible plop?” But when they got to the river the plop was not there. Then an apple fell in the river and made a big plop. I recommend this book because the bear is scared of the big plop and the rabbit is not. **William**

In the beginning the rabbits were eating carrots and an apple made a plop and the rabbit ran away and they told all the animals. A bear told the last rabbit to show him. He ran and said there is a plop but the rabbit is not scared. **Karina**

### Visitors to the school—New sign in procedures

The school has a new electronic sign in process for visitors to the school.

All visitors to the school must sign in at the office using our new electronic visitor kiosk which prints a pass with your name and photo on it.

Visitors, including parents, are not permitted to visit the classroom during class time at any time without signing into the visitor kiosk at the office. This ensures the safety of all children and staff.

Parent volunteers, including canteen volunteers, are required to sign in at the office and collect a visitor pass.

All visitors must also sign out when they leave.

MOTHER’S DAY

Last week we had our Mother’s Day events: the gift stall on Thursday and our morning tea on Friday.
We had a great team of parent helpers on both days. At the gift stall helpers were guiding students on which gifts their Mum might like and we had a steady stream as 800+ students came through during the day.
Year 6 who were on an excursion that day came through once they were back.
Morning tea was an especially busy day with the Liturgy in the hall as well. An emotional and lovely service. After it concluded, Year 6 students moved chairs about so our Mums, Grandmothers, Nanas and Aunts could sit down and enjoy a cuppa. THANK YOU to our helpers!!!

HELPERS!
The P&F endeavours to put on great family events and other fundraisers during the year. We couldn’t do this without the support of the school community. We always welcome additional parent helpers. If you would like to be on our database for when the call goes out, please email us pandfstmichaels@gmail.com
Being on our database is not a commitment to help at every event. Come along when you can.
