From the Principal

Dear Parents

Times tables

The learning of times tables has been a point of discussion with both parents and teachers for as far back as I can remember.

The school encourages and teaches times tables. There are two ways a student can learn their times tables. One way is through rote learning which is a quick way to recall. The other way is developing an understanding through exploring numbers and problem solving using concrete materials.

In order to encourage the children to learning their times tables, I have set up a Principal’s challenge for all students from Kindergarten to Year 6 to learn their times tables as per the requirements of the Mathematics curriculum. The tables would be age appropriate and syllabus based. The first class in each grade who achieves 100% accuracy will have a pizza lunch. Please encourage your children to take part in this challenge to learn their times tables. Each class will be sending information home with regard to their particular challenge.

Staff Development Day—Jubilee Year of Mercy

Staff at St Michael’s had a very successful staff development day on Monday 23 May learning about the Sisters of Mercy and their foundress, Catherine McAuley. St Michael’s is a Mercy school set up by the Sisters of Mercy in 1971. The mercy traditions underpin the foundations of this school and as a result of the day, staff will be promoting those traditions and values to the children. Part of the day was also spent reflecting on the corporal works of mercy. This work was in response to Pope Francis’ declaration of the Jubilee Year of Mercy 2016.

“It is my burning desire that, during this Jubilee, the Christian people may reflect on the corporal and spiritual works of mercy. It will be a way to reawaken our conscience, too often grown dull in the face of poverty. And let us enter more deeply into the heart of the Gospel where the poor have a special experience of God’s mercy.” (Pope Francis, Face of Mercy, 15)

Catherine McAuley

Yesterday our children had the experience of learning about Catherine McAuley and her life through a theatre group who presented her story.

Catherine McAuley, a woman of great wisdom and practicality, lived in 19th Century Dublin, with a strong passion to help the poor, especially women and children who were most in need.

Her vision and motivation came from the particular space in which she had moved in her own life—a merciful space where her experience of God’s mercy through the kindness of others enkindled a deep desire within her to share this compassion and justice with those around her.

Many women and men in Catherine’s time were attracted to her innovative and enabling initiatives for the poor. So too, today, countless colleagues, lay associates and young adults continue to be inspired and energized by her spirit of mercy. Her leadership style was collaborative and relational, so it comes as no surprise that she spent long hours corresponding with her companions who were scattered throughout Ireland and England, sharing with them advice, hopes, concerns, difficulties and joys.

“If the love of God really reigns in your heart, it will quickly show itself in the exterior.” (Sisters of Mercy, Inspired by Catherine, 36)

Wishing you every blessing for the week ahead.
Building Child Safe Communities

At St Michael's we pride ourselves on being a safe, honest, respectful learning community. The children know these expectations very clearly and we work as a school community to promote in a positive way the ongoing development of each child in becoming safe, honest respectful learners.

Clearly as adults we also have a responsibility to contribute to developing a community culture of mutual respect, honesty, ongoing positive support, inclusiveness and belonging, engagement with learning and forgiveness. Parents and staff at St Michael's achieve this community culture as we work together for the benefit of the children because we keep these ways of communicating and interacting at the forefront.

To focus on maintaining and building St Michael's as a Child Safe Community there are also a number of procedures at school to keep children safe. These including signing children in at the office if you are running late, adhering to traffic and parking rules when dropping off or picking up your child, using the pedestrian crossing when crossing the road with your child, instructing your child to wait in the supervised areas at dismissal time, and signing in as a visitor if entering the school during school hours. At times in the busy life of parents these procedures may feel a bit inconvenient but that is certainly not the intention. These sorts of procedures are all about keeping children safe and we appreciate your support in teaching the children how to be safe by following these procedures.

Similarly, Catholic Education Diocese of Parramatta (CEDP) is committed to keeping children safe at all CEDP schools, Catholic Out of Schools Hours Care, Catholic Early Learning Centres and Trade Training Centres. Implementing a variety of practices that reduces potential risk forms part of our strategy to build child safe communities.

A range of checks and undertakings are required for people who work for or provide services, including the services of volunteers, to Catholic Education Diocese of Parramatta.

We warmly welcome volunteers at school in many activities including helping with reading, canteen, excursions, sporting events and community events. In these ways the opportunities provided to students are greatly enhanced by the contribution of volunteers.

School Volunteers at St Michael's
Changes from May 2016

To ensure we build a child safe community, all volunteers now complete Steps 1 and 2 below as follows:

- Go St Michael's website - http://www.stmichaelsbhills.catholic.edu.au
- Click on Parents, go to Parent Involvement, click on Child Protection Course. You will then be directed to the Catholic Education Office – Diocese of Parramatta website: http://childprotection.parra.catholic.edu.au/home

Complete Steps 1 and 2

1) Step 1: Complete ‘Building Child Safe Communities - Undertaking for Volunteers’ Form (New procedure across all CEDP schools)
2) Step 2: Complete the online training module (Updated content to be completed every two years)

Once you have successfully completed the training, an email will be sent to St Michael’s for our records.

Further information on Building Safe Communities is included with this Newsletter. We thank you for your ongoing support.

Social Skills and Mantras Program

Week 6 & 7: Approaching and joining in and including others

- Go and join in—don’t wait to be asked. (The dos and don’ts)
- Including others makes everyone feel good.

Sympathy

Please keep in your prayers Mrs Bond and her family on the passing of her father.

Please keep in your prayers the Mostyn family (Cooper 2Yellow, James and Cameron K Blue) on the passing of their maternal great grandfather.

Eternal rest grant to them Lord. Let Your perpetual light shine upon them. May they rest in peace. Amen.

2017 ENROLLING NOW

KINDERGARTEN 2017 OPEN MORNING
Wednesday 8 June 2016, 9.30—10.30 am

Enrolment packages for Kindergarten 2017 can be collected from the school office or at the Open Morning.

For parents wishing to enrol their child in Kindergarten, or any other year level for 2017, applications are now being accepted.

Interview times are being timetabled and conducted with the aim that they will be completed by the end of this term. If you have any relatives or friends considering enrolling their child at St Michael’s in 2017, now is the time to remind them to apply.

Visitor sign in procedures

If entering the school grounds for any reason during school hours all visitors need to enter via the school office and sign in.

Catholic Education Diocese of Parramatta have provided new Visitor Kiosk technology in all schools to assist this process in ensuring we are building a child safe community. Installed in the front office is an iPad for signing in. Using the touch screen it will ask for details such as your name, who you are visiting and your mobile phone number. The purpose of the mobile phone number is to assist the school to account for all adults if there was a need for an evacuation or lock down of the school.

The iPad will also prompt you to take your photo the first time you use this Visitor kiosk. (Please note the photo will stay current for three months.) Once you have entered all your details an adhesive visitor’s label with your name and photo will be printed for you to wear while you are on the school site.

The first time you use the iPad it will take perhaps a few moments to become accustomed to the new technology so allow a little extra time. After the first use, the Visitor kiosk will not prompt you for as many details, as it will recall items such as your photo from your first visit.

The office staff will assist you as you sign in.

### Religious Education

#### First Holy Communion

I would like to congratulate all the children who celebrated the Sacrament of First Holy Communion last weekend. It was great to see the children taking an active step in continuing their sacramental journey. Last Sunday was the Solemnity of the Most Holy Trinity. On this special occasion we are all reminded that God is three persons in one nature. Father, Son and Holy Spirit. They are all equally God and they cannot be divided. Fr Wim reminded the children of our symbolic connection to the Holy Trinity through the action of the sign of the cross.

A special word of thanks needs to be extended to the parents, teachers and parishioners of the Parish of Baulkham Hills who assisted in the preparation of the children, either as home hosts, facilitators, readers, communion ministers and collectors. This parish based program would not have been as successful as it was, had it not been for the generous support that was extended to the sacramental team. I would also like to also thank the sacramental team for all the personal time they have given in support of the children.

This coming Sunday is the Solemnity of Corpus Christi which celebrates the tradition and belief in the body and blood of Jesus Christ and his real presence in the Eucharist. It emphasises the joy of the institution of the Eucharist, which was observed on Holy Thursday.

This is an important opportunity to encourage your children to reflect more deeply on the significance of the Sacrament they have just encountered for the very first time, and will help to support a lifelong love and devotion to the Sacrament of the Eucharist.

In the coming weeks, Fr Wim will be looking for children who would be interested in becoming an altar server, who have made their First Holy Communion, for the Parish of Baulkham Hills (St Michael’s Church). Could you please talk this very important opportunity over with your daughter or son.

I learnt that boats do not have engines and do not have a life boat, but ships do. **Hudson**

I learnt that transport can be called vehicles and can be very important. I really like being on the ferry and seeing Luna Park. **Isabel**

I learnt a lot about the HMAS Vampire. It had a canteen, where they get their food for breakfast, lunch and dinner. I enjoyed the ferry, because we watched out the window. **Noah**

HMAS Vampire was built sixty years ago. I enjoyed it there because I learnt different things. I was interested because there was a bomb. **Felix**

I learnt that ships have lifeboats and were bigger than boats. I enjoyed looking around the museum with the other groups and our educator. **Ellen**

I enjoyed going on the Vampire ship. It was very interesting. I learnt that ships are very interesting. We saw the fastest boat in the World. **Lucianne**

I learnt that boats move on water, it was lots of fun. We got to go on a ferry. **Cooper**

We went so that we could learn more about different types of transport. The weather was sunny and warm and there was no wind. We went to see a movie that showed us what it might have looked like in the war. I learnt how the ships work. I enjoyed when we went on the HMAS Vampire. **Anthony**

We went to the Maritime Museum to learn about transport. We saw Captain Cook’s ship and the HMAS Vampire. I enjoyed the ferry ride and we looked at Luna Park, the Harbour Bridge and the Opera House. **Enya**

I saw lots of boats outside. We went on the HMAS Vampire and it was all made out of steel. I went in it and there was a working room and there was a kitchen where the people got their food. I enjoyed the excursion because we went on a ferry ride and we went past the Sydney Opera House. We also went under the Harbour Bridge. I learnt that ships can carry more people than a boat. **Tea**

On our excursion this year, we went to the Maritime Museum. We learnt about the HMAS Vampire. It had guns on it. It had four beds and three bedrooms. It was also a three-storey ship. It was a very big ship. I liked it when we went on the ferry. I liked looking at the captain’s office; it was small though! The excursion was fun and I hope to go back there again. **Mia**

I enjoyed learning and listening to the instructor about the beds and how they used to live out on the sea on the HMAS Vampire. I learnt interesting stories about Captain James Cook from England and how he travelled from England with a person who works with plants. **Jemma**

I learnt that different types of transport get you around in different ways. I enjoyed the excursion because I enjoyed seeing the clip of what happened on the submarine in the olden days and when we went on the HMAS Vampire. I also enjoyed seeing the boats while we were on the ferry. **Isabelle**

I learnt about the HMAS Vampire. They told me that there was people living on the HMAS Vampire, I was so surprised! I enjoyed the HMAS Vampire because inside the ship was a little canteen! **Mia**

I learnt that “maritime” means water. I enjoyed the movie. **Luke**

I learnt that the Spirit of Australia has the water speed record. I enjoyed learning about all the different types of transport. **Reana**

On the excursion I learnt that ships have life boats and boats don’t. I enjoyed going on the HMAS Vampire. **Jade**

On our excursion we saw the HMAS Vampire. **Isaac**

I learnt that the lighthouse helps the ships to get home. I enjoyed that we got to go on an old battle ship, but it doesn’t shoot anymore. **Abbey**

I learnt in our excursion that they put coal in a steamer, it went in a boiler and it got very wet and it turned into steam to power boats that had no engines. I enjoyed visiting the HMAS Vampire and going in the control room. **Charlotte**

We went on an excursion to the Australian Maritime Museum in the city. We went by bus. On the way, we had to do a traffic survey. **Lachlan**

I went on a ferry boat and I saw a lot of boats. I saw the Vampire ship and it’s never been a battle ship. It is big. We saw a pirate ship too. **Patrick**

I learnt that there is lots of different transport. I enjoyed going on the battle ship. At the excursion, I learnt that buses have four wheels. I also liked going in the museum. **Yamman**

I learnt about the museum and that submarines can only have a few people on it and boats are fast and slow. Submarines can go under water for a lot of time. I enjoyed that we got to go on the ferry. **Joey**

My favourite part about the excursion was when we went on the HMAS Vampire. I learnt that ships have names and boats don’t. I learnt about the fastest speed boat. **Lane**

I learnt that Captain Cook went from England to Australia. I had lots of fun at the excursion, I can’t explain. It was the best day of my life. **Mary-Lillian**

On our excursion, we went to the Maritime Museum. We went on the ferry. That was the last thing to do. We also went on the Vampire ship. I learnt that ships and every other boat have different names. **Bronte**

On my excursion, we went on the HMAS Vampire. **Marcus**

I learnt that some boats run on fuel. I liked the HMAS Vampire. **Oliver**

I enjoyed it on the bus when we did a car survey. I learnt that the Spirit of Australia is the fastest boat in the World. **Owen**

**Year 5—Recycling Old Mobile Phones**

MobileMuster is a free not for profit mobile phone recycling program that accepts all brands and types of mobile phones, plus their batteries, chargers and accessories. It is the mobile phone industry's way of ensuring old mobile phone products don't end up in landfill - but instead are recycled in a safe, secure and ethical way.

Year 5 students at St Michael's are working with the organisation to help reduce landfill. Please help them by sending in your old devices.

Teachers will collect them and send them to Year 5 who will then organise a mobile muster pick up within the next 3 weeks. Year 5 would really appreciate your help.

Please send in your old mobile phones that you would like to recycle by Friday 3 June.
BUILDING CHILD SAFE COMMUNITIES – NEW FORMS FOR ALL VOLUNTEERS AND CONTRACTORS

‘Building Child Safe Communities’ is a new initiative developed by Catholic Education Diocese of Parramatta that enhances our commitment to ensuring the safety and wellbeing of all students in our care. It is now a requirement that all volunteers and contractors complete an online undertaking form that confirms expectations in relation to behaviour whilst volunteering or contracting at schools, Catholic Out of Schools Hours Care and Catholic Early Learning Centres. This undertaking form also seeks to determine the suitability of volunteers and contractors by requiring them to declare that they do not have a criminal history involving children.

- **Volunteers** – please click on ‘Building Child Safe Communities – Undertaking for Volunteers’ or access the form via the Catholic Education Diocese of Parramatta public webpage [http://www.parra.catholic.edu.au](http://www.parra.catholic.edu.au), then click on ‘Child Protection Training Forms’ (halfway down page on the right hand side).

![Volunteers and Contractors: Click here](image)

Then click on ‘Volunteer Form’ (halfway down page).

You will receive a confirmation email once the form has been submitted. Your details are maintained confidentially in a central database and a copy of your confirmation is emailed to the location where you are volunteering.

- **Contractors** – please click on ‘Building Child Safe Communities – Undertaking for Contractors’ or access the form via the Catholic Education Diocese of Parramatta public webpage [http://www.parra.catholic.edu.au](http://www.parra.catholic.edu.au), then click on ‘Child Protection Training Forms’ (halfway down page on the right hand side).

![Volunteers and Contractors: Click here](image)

Then click on ‘Contractor Form’ (bottom of page).

You will receive a confirmation email once the form has been submitted. Your details are maintained confidentially in a central database and a copy of your confirmation is emailed to the location where you are contracting.

A new form is required:

- For each location that you are a volunteer or contractor
- If any of the details you have provided on the form change

We thank all volunteers and contractors for their continued support of Catholic Education.
P&F MEETING
‘ANXIETY IN CHILDREN’

Last week on Wednesday, we had our P&F General Meeting. At our meeting we were very fortunate to have Dr Sally Fitzpatrick from Macquarie University come and speak to us about “Anxiety in Children”. Dr Fitzpatrick spoke to over 50 parents for over 1 hour and took questions from parents after the meeting. It was a very important talk given anxiety affects so many. Here is a slide from Dr Fitzpatrick’s presentation with some website links for more help and resources for parents.
