Term 3 Week 4

Thursday 16 August 2018

From the Principal

Dear Parents

Drought Fundraiser Friday 17 August 2018

Our school community will be raising funds for our farmers this Friday, 17 August. Children may like to wear a hat, boots or chequered shirt with the uniform that they would normally wear on Friday.

We are inviting you to support this drought appeal with a donation of your choice. We are sure that any amount will be much appreciated by our struggling farmers.

We thank you in advance for supporting the drought fundraiser.

Pride

Grit and our motivation are building blocks to success, yet we sometimes struggle with how to instil these qualities in children.

A study last year by German researchers found students who reported feeling positive emotions such as pride and enjoyment in their work had significantly better achievement over time than students who had the same level of ability but fewer positive emotions.

On the other hand, feeling a lack of pride in our work can motivate us to work harder, too.

Parents play a critical role in building their child's sense of pride. Our brains don't come hard-wired to know what to take pride in, such as grades or sports, so children initially look to parents and then to teachers and peers to find out what's valued by those around them and therefore what goals are worthwhile to pursue.

When young people are engaged in areas where they feel confident and proud, it creates a ripple effect, giving them the motivation and encouragement to take on new challenges in other areas of their lives. To teach children how to use pride as a motivational tool, point it out: *Did you notice how you felt when you aced your assessment, built that lego model or sang that song?*

To stay intrinsically motivated, children must feel as if they're improving toward a goal, so point out the pride they should feel in the small successes along the way.

When we withhold genuine praise or downplay pride, we deprive children of a powerful source of motivation that can help them persevere in the face of challenges today - and throughout their lives.

Feast of the Assumption

Yesterday was the Feast of the Assumption of the Blessed Virgin Mary. As a school community we celebrated the feast day by attending Mass.

"Mary, A young Galilean woman betrothed to be married.

Visited by the angel Gabriel, a messenger from God.

Asked to bear the Son of God, the Most High.

Understandably shocked.

Mary's faith in the Lord was so strong that she answered "yes" to God,

Though she was perplexed and afraid.

May we also be unwavering in our faith and answer "yes" when we hear God's call.

Amen."

Wishing you every blessing for the week ahead.

Social Skills and Mantras Program

Week 5: Playing fairly

- A person who plays fairly and gets on with the game allows others to enjoy the game. People who play fairly get a reputation as good people to be around.

Weeks 6 & 7: Being a good winner. Being a good loser.

- Winning feels good, but remember to win in a way which keeps friends.
- Losing can make you feel bad, but staying friends is more important than giving in to your grumpy feelings.

Prayers

Please keep in your prayers Elijah (3 Blue) & Charlotte-Jessica (4 Yellow) Padjan and their family on the passing of their paternal uncle.

Eternal rest grant to him Lord. Let Your perpetual light shine upon him. May he rest in peace. Amen.

Music News

The Year 4 children will perform a song they have been learning in music lessons at the Week 5 assembly (Friday August 24).

The Percussion Discussion

Mrs Parker has been working with a small group of Year 4 and 5 students on Mondays at lunch time. Over the last two terms we have been trying out some different types of drumming. The group have decided to call themselves the Percussion Discussion, and will perform at this Friday's assembly - 17 August.

Captivate

101 students from our school will perform at Catholic Education Parramatta's 10th Anniversary Captivate showcases next week. Our 61 choir members will join 1100 other primary students in a combined school's primary choir and our 40 member dance troupe will perform with several other schools at the showcases on two nights next week. Our dance students performed their dances for our school at assembly last week and our choir members will perform some of their Captivate songs at an assembly later this term. We wish all our Captivate performers well as they take part in this exciting event, after many months of hard work.

Mrs Lyndall Parker, Music Teacher

Children's Book Week - "Find Your Treasure"

Kindergarten to Year 6 Children's Book Week is next week! A time to celebrate and *Find Your Treasure!* Each grade from Year 1-6 [Kindy have a treat booked for Term 4] will be welcoming a special guest to entertain, enrich and inspire our students.

Wednesday 22 August is our traditional Whole School Book Character Parade, where all students arrive dressed as their favourite character from a book and parade to the music of our school bands. Students must carry the book as they parade. Classroom teachers will choose the costumes they consider the best. These characters will then have an opportunity to parade again. [Handy hint - I've collected the data and have discovered that all teachers prefer homemade costumes, using 'bits and bobs' from dress-up and recycling boxes.]

Parents and families are welcome to attend. Our Book Character Parade will be held in the hall and will commence approximately 9:15 am, after the teachers have completed the morning administrative tasks.

Happy reading!

Mrs Patricia Lee & Mrs Marianne Seny

Grandparent Thank You

It is not often that people have the time to be able to send in a letter of commendation to the school and we are most appreciative of this when this occurs. We have received a letter from one of our grandparents that we wanted to share with you.

"My husband and I recently attended the Grandparents Mass and the Teddy Bear's Picnic at St Michael's. Would you please accept and convey to your staff our thanks and congratulations. In a previous life I was a teacher, and know that these events do not happen without great planning, time and rehearsal."

Our grandchild has often confided to us that he thinks St Michael's is the best school in the whole of Australia, and we are coming around to his way of thinking. He also stated that his teacher is more beautiful than me and that she is also the best teacher in the whole of Australia. The children all show confidence and care for each other and are a credit to the environment which you provide.

Thank you for all your enthusiasm and dedication in hosting these events. We greatly appreciate being able to attend them."

Photographs - Social media

From time to time photographs may be taken of your child whilst they are at school by the school. These photos may be used in school Newsletters, publications and the school website. They may also be used by Catholic Education, Parramatta Diocese in their publications and website. If you do not wish your child's photo to be taken at school, please contact the school office.

We would ask all parents to be aware that when you are on school premises, sporting events or on excursions that you must only take a photo of own child and not someone else's child, particularly if you are uploading photos to social media.

Please be aware that there are parents with children at school who have identified as not wanting their children's photos published. All photos need the permission of parents before they can be published by other parents.

Attendance

Our school attendance rate is currently 86.5% . Our school goal for the whole year is 90%.

The reason we track school attendance is because research shows us there is a strong correlation between school attendance and achievement. The school will contact you if we are concerned about your child's attendance. We are here to listen and support you to help your child have great patterns of attendance.

K = 90.7% Yr 1 = 92.3% Yr 2 = 86.1% Yr 3 = 82.2% Yr 4 = 81.2% Yr 5 = 87.8 Yr 6 = 85.7%

Congratulations to Kindergarten & Year 1 for achieving our goal of 90% for attendance.

Please read the following table which explains how crucial it is for our children to be at school punctually and on a regular basis and for parents to be very discerning about the times their children are absent from school.

NAPLAN Online School Readiness Test

2018

The National Assessment Program – Literacy and Numeracy (NAPLAN) is an annual national assessment for students in Years 3, 5, 7 and 9. **Planning has begun to move NAPLAN from a pen and paper assessment to an online assessment in 2019.**

This term in **Week 6 Monday 27-Thursday 30 August** our Year 3 and Year 5 students will be participating in a NAPLAN online school readiness test.

The school readiness test is a combined literacy/numeracy assessment and Year 5 will also undertake an online writing assessment. This readiness test is not a test of the individual children's academic performance but a 'test of school readiness' – that is, to enhance test administrators' familiarity with the online assessment platform.

Therefore parents and schools **will not** receive individual student performance results.

Please note all students in Years 3 and 5 will require their own bud earphones for the school readiness test.

For no child to miss out please fill in the form below & money needs to be in at the office by

Monday 20th August

How the Gift Stall works:

1. Each child at school is given a separate note to take home.
2. Each child will need to fill out a separate slip as all slips are grouped by class.

4. To make sure your child doesn't miss out, please make sure each of your children is on a separate slip.
5. If you have two or more children, money and slips can go into the one envelope.
