Term 3 Week 6

Thursday 30 August 2018

From the Principal

Dear Parents

Drought Fundraiser Friday 17 August 2018

Thank you to all our families for your generous support of the drought fundraiser. A total of \$4,116.90 was raised to assist the farmers. The money has gone to the Australian Red Cross for distribution to the farmers. Well done everyone!

Father's Day

Happy Father's Day to all our fathers, grandfathers and great grandfathers this Sunday 2 September.

On Friday 31 August we will celebrate Father's Day with a whole school Non-Eucharistic Liturgy in the Church at 10.15 am. The P&F will provide a BBQ Breakfast from 7.30 am—9.00 am near the Hall. Fathers will be able to go to their children's classroom for reading from 9.00 am—9.45 am.

On this day we will also be supporting Jersey Day. The children can wear their favourite sports jersey with their sports uniform.

Families

Our family is the first school for our children and we parents are powerful models. Being a parent is one of humankind's most difficult tasks. Of course, there are many pleasures and rewards but parenting can be demanding, challenging, exhausting—and there's no time off.

What makes it challenging and demanding is that every day we act as a model for our children. Every day they are watching and learning from us; they learn from our actions and conversations, they absorb our attitudes and copy our expressions. They are doing this mostly without us being aware that it is taking place.

Because we are the main caregivers, we provide the major influence on our children's lives. We constantly demand respect from our children but it is not something that we should take for granted. Like most things of real value, respect has to be earned. The best way for us to earn respect is to give respect.

Our children, want to see us express real feelings in a healthy way, they want to see us handle anger in an appropriate way, they like to see us making healthy choices about our lifestyle, they like to hear us speaking positively about other people, they like to observe us showing respect when it comes to alcohol, prescription drugs and gambling. They like to witness positive reinforcements as to how they would like their life to be.

Our decisions will not always be perfect; however, if we can continue to reflect on our lives and take opportunities to continue to grow and develop our skills this will build on the positive impact we can have with our children.

1-2-3 Magic & Emotion Coaching Parent Course

During Weeks 7-9 the 1-2-3 Magic and Emotion Coaching program will take place at the school starting on Wednesday evening 12 September from 6-8 pm. The course will be run by presenters from the Catholic Education Office Diocese of Parramatta.

The 1-2-3 Magic and Emotion Coaching program aims to teach parents how to deal with their children's difficult behaviour by using an easy-to-learn and easy-to-use signalling system to manage children's difficult behaviour. The signalling system requires the parent to use less talk and less emotion, which in turn encourages the development of children's ability to manage their emotional reactions to parental boundaries (or emotional competency).

The 1-2-3 Magic and Emotion Coaching program will run for three weeks as follows:

Session 1: Wednesday 12 September - 6-8 pm; Session 2: Wednesday 19 September - 6-8 pm;
Session 3: Wednesday 26 September - 6-8 pm

You will need to attend each session. If you would like to participate in this program, please register by calling the school office on 9865 1600. You can also email or register via the following link: <https://goo.gl/forms/ebtsIDFGcGMgOBzT2>

Dear Jesus, You teach us in so many ways. You are all good and totally loving. Your love lifts up our hearts and minds and fills them with hope. Thank you for all the people you have placed in our lives who spread your love by sharing your knowledge with us. Thank you for our parents and grandparents, our pastors and teachers, and our coaches and other leaders. The good they do comes from you. Amen.

Wishing you every blessing for the week ahead.

Parish Youth

Years 5-6: Sunday 9 September 2018 from 4.00-5.30pm at the Downey Room, we'll be having a 'spiritually buff' afternoon, exploring the relationship between the physical and the spiritual, as well as having a heap of food, games and activities!

All Ages:

Our Youth Mass, will be held from 6-7pm, a great way to meet other youth and get involved in our ministries happening around the church!

Sports Day - Years 5-12: We will be hosting a sports day at the Old Church, from 12.00-1.30pm on the Saturday 15 September 2018.

For further information, please call the Youth Minister, Paul Fam, on 0407 773 174, or send an email through to youth@parishofbaulkhamhills.org.au

Social Skills and Mantras Program

Weeks 6 & 7: Being a good winner. Being a good loser.

- Winning feels good, but remember to win in a way which keeps friends.
- Losing can make you feel bad, but staying friends is more important than giving in to your grumpy feelings.

Week 8: Wait for a turn when playing with others

- Games which include more children than are needed should include a fair rotation system.
- Wait patiently for your turn. Don't favour others and let them in front of you at the expense of others waiting.

Prayers

Please keep in your prayers Catherine Grainger and her family on the passing of her paternal grandmother.

Eternal rest grant to her Lord. Let Your perpetual light shine upon her. May she rest in peace. Amen.

New School phone number

Please ensure that you have updated the school's new phone number into your mobile phone contacts so that if we ring your number, you will know that someone from the school is trying to reach you..

Our previous school number is no longer active.

2019 Enrolments

Kindergarten-Year 6

**Enrolment applications are still open
for siblings and new families**

We are still taking enrolments for Kindergarten 2019 and Years 1-6 for 2019. If you already have children at the school and are thinking about your Kindergarten child coming to St Michael's in 2019, please contact us as soon as possible to discuss their enrolment with us.

If you have family or friends who would like their child to come to St Michael's, please ask them to contact us as soon as possible.

For further enquiries, please call the school office on 9865 1600.

School Fees

Dear Parents, Thank you to all our families who have finalised their 2018 School Fees account. If you are paying by term instalments, payment was due on Wednesday 29 August 2018. If you are paying weekly, fortnightly or monthly we thank you for following through with your arrangements and ask that you continue to do so.

It is requested any overdue accounts be finalised without delay. Please contact Rasha Azar, Finance Officer, on 9865 1600 for a confidential discussion, should you be experiencing financial difficulties.

Thank you for your continued support.

Rotary Club Writing Competition 2018

On Monday 6 August, Lily Roberts, Imogen Leahy and I attended the Rotary Writing Competition Presentation Night as finalists from our school. We had gotten through as the three best entries from Year 6. We got to attend the special dinner with our families, Mrs Maka and Mrs Mifsud. We were very excited to find out who had come first, second, third and highly commended and to find out which school had won overall. When we arrived at The Brewery where it was held, we sat at our table. We also had two members of the Rotary Club with us on our table.

After a speech from the President of the Hills sector of the Rotary Club and eating dinner, the awards were announced. I was honoured to receive one of Highly Commended Awards but unfortunately, no one from our school got a place. It was very exciting. All the finalists at the dinner received a book gift voucher and a certificate. It was a great experience and I am really glad that we got so far in the competition.

Angelina Woodward, Year 6

Backpath

Please ensure that you walk to the back path to collect your children in the afternoon, particularly children in the younger grades.

For the consideration of our neighbours, please move out of the area as soon as possible and ensure that your children are not running through lawns or playing in the creek area. Please be mindful of the cars that are moving in and out of this area and the supervision of your children to ensure their safety at all times.

3 Yellow News

This term 3 Yellow is learning about God's beautiful creations. We are going to share what we are learning in class. Here are some examples of how we can pay attention to our world and care for it as God wants us to.

St Michael's has some litter problems around the playground. We can solve these problems by picking up all debris, even if it does not belong to us. Then we must put it in the bin.

St Michael's also has many beautiful gardens. We must help our plants by protecting them. We strongly believe that we all should be determined to take care of our school. This is our chance to make a difference.

Please take care of our world especially our beautiful school here at St Michael's. Remember the motto "Actions Speak Louder than Words" and don't just say it - DO IT!!

The Paper Plane State Championship

On Saturday I went to Sydney University for the Paper Plane State Championship.

At first I had to throw my plane 15 m then they put it down to 6 people. I was coming 5th and I was on my second throw. Then I made a 3rd place throw which was 19.67 m.

When I saw my name up on the screen I felt like my blood had turned cold. My mum and the other two people who were there, and their families, were cheering for me!

I won a medal, a certificate and a chocolate lollipop. I can't believe I came 3rd and I felt very proud of myself.

Bus timetable

An updated school bus timetable commenced Monday 20 August. The amended timetable is on our website:

Please note that the afternoon Route 8608 has been discontinued due to low patronage. A new service Route 3526 could be used for any affected students.

Students must have a valid Opal card to travel on school buses, and must tap on and off morning and afternoon.

School Volunteers at St Michael's

Thank you to parent/grandparent volunteers who have completed all their requirements to volunteer in the classroom, on excursions or sporting events. Unfortunately if you offer to assist and have not completed all the volunteer requirements, you will not be able to assist until the volunteer requirements have been completed.

All volunteers at St Michael's need to complete Steps 1 and 2 below as follows:

- Go St Michael's website - <http://www.stmichaelsbhills.catholic.edu.au>
- Click on Enrol Now, go to Get Involved, click on Child Protection Course link. You will then be directed to the Catholic Education Office – Diocese of Parramatta website <http://childprotection.parra.catholic.edu.au/volunteers>

Complete Steps 1 and 2

- Step 1: Complete 'Building Child Safe Communities - Undertaking for Volunteers' Form** (New procedure across all CEDP schools)
- Step 2: Complete the online training module** (Updated content to be completed every two years)

Once you have successfully completed the training, an email will be sent to St Michael's for our records.

Science Week Paper Plane Challenge!!!

During the last two weeks, we have taken part in the New South Wales Paper Plane Challenge! All classes designed and made their paper aeroplanes, which they then tested for **1)** the longest distance flown and **2)** the longest time to be in the air (airtime).

We were learning to design and make a plane that would beat the current New South Wales age appropriate records. We had to think about how the plane moved through the air, what made it more aerodynamic and what helped it to be pushed by the air in order to keep it in the air for the longest airtime. We soon learned that the paper planes needed to be designed differently for each type of challenge.

The person to reach the longest distance throw for each grade was awarded with a prize in Assembly last week. All students who met their grade record for New South Wales were invited to go to the State Championships, which were held last Saturday at Sydney University. Several students attended.

Congratulations to all those students who achieved the longest distance throw for their grade:

- Myra Mallick—8 m
- Alannah Daher—14 m
- Jeremy Lee—13.9 m
- Ashton Crawford—19.5 m
- Paul Kim—12 m
- Cameron Lee —0.5 m
- Cornelis Rawlinson—24.53 m

Congratulations to all those students who qualified for the State Championships:

- Jeremy Lee—13.9 m
- Jake Lenane—12.3 m
- Spencer Bennett—15 m
- Lachlan Kable—16.5 m
- Reef Maurice—17.2 m
- Jackson Ward—17.5 m
- William Faulkner—18 m
- Thomas Gutierrez- 18.5 m
- Ryan Sayers—19 m
- Xavier Saffy —19.5 m
- Cameron Lee—20.5 m
- Jack Orley—18.5 m
- Cornelis Rawlinson—24.53 m

Special congratulations to all those students who represented St. Michael's at the NSW State Championships on Saturday 25 August. We are very proud of them and they had a fantastic day out!

Jeremy Lee 3rd for distance
 Jake Lenane
 Spencer Bennett
 Reef Maurice 3rd for airtime
 William Faulkner 3rd for distance
 Cameron Lee 3rd for distance
 Cornelis Rawlinson 3rd for distance

Congratulations!

I thoroughly enjoyed watching some of our students participating on Saturday. Even the M.C. for the day said how well St. Michael's were doing!!!

The challenge is planned to be held at the same time next year, so get flying, all you budding scientists!

News from Year 3

Book Parade and Author and Illustrator Visit – Frane Lessac

Last Thursday, Frane Lessac visited Year 3 during **Book Week**. The students were very interested to learn about Frane's life as an Author and Illustrator. Here are some highlights of the week from the students.

"Frane talked to us and said when you are doing artwork, concentrate and sit in a quiet place. I learnt about *Midnight*. She had a star on her head and was born under a tree. She tried to get water but they had to jump over a trench of soldiers. They jumped and they didn't make it. They were shot. The horse died but the man survived." *Watson*

"What I liked about the book parade was that I got to see many cool costumes. For example *Demon Dentist* and Spencer dressed up as Ben from *Gangsta Granny*. I dressed up as Rhyddan from *Wolf Blood*." *Ashton*

"Frane talked about her first book called *My Little Island*. She got her ideas from going to places around the world. She went to Gallipoli and wrote the book *Simpson and his Donkey*." *Jason*

"The parade was fun. I saw lots of different book characters. I saw Sherlock Holmes, Optimus Prime, a pirate ship and a treehouse." *Alexander*

"I dressed up as Ganger from *Pokemon*. I learnt how Frane got inspired to make her books. I learnt her books are fiction and she sometimes works with other authors. I went up on stage with the whole class." *Dominic*

"Frane loves to write and illustrate books.

She wrote and illustrated *A is for Australian Animals* and *Under the Southern Cross*.

Frane illustrated some books such as *Midnight*, *Simpson and his Donkey* and *Moondyne Joe*, which were written by her husband Mark Greenwood. Frane loves to travel to places to write books and get ideas. Frane has a special paint. She gets a crayon and draws on the page. Then she gets a paint brush and wets the page with water. Then it becomes paint." *Nathan*

"Last week we got to meet an author and illustrator. Her name is Frane Lessac. Frane travelled to a lot of different places to get information for her books. Some of the books she has illustrated are *Midnight*, *Simpson and his Donkey* and *Moondyne Joe*. The author of these books is Mark Greenwood. Some of the books Frane wrote and illustrated are *A is for Australian Animals* and *Under the Southern Cross* which will probably come out next month. Frane has a place where she writes and illustrates her books.

She has special brushes that she uses for her different paintings. Frane does a lot of planning and it takes her a long time to finish her books. Frane has an editor to help her edit her books." *Yohan*

"On Thursday Frane Lessac visited our school and we got to meet her. She told us about her books. Some of the books she has written and illustrated and some, she has just illustrated. Two books she wrote and illustrated were *A is for Australian Animals* and *Under the Southern Cross*." *Jacob*

Fruit & Vegetemember

Aussie kids don't eat enough fruit and vegetables. If we want kids to eat more fruit and veg we need to market them better. That's why this year's theme is all about getting happy with fruit and vegetables!

Fruit & Veg Month is a health promotion program for NSW primary schools that puts a positive focus on fruit and vegetables.

Fruit & Veg Month 2018 will be held from Monday 3 September to Friday 28 September. The theme for this year is 'Happy Fruit & Veg'emember!' and St Michael's is excited about being involved. Over the next four weeks, we will be encouraging the children to eat a variety of fruits and vegetables and increase the amount they currently eat. A roadblock that we often encounter is that the children find them "boring". This website - <https://healthy-kids.com.au/parents/recipes/> - has some yummy recipes that you can try at home with your children to ensure they are receiving the recommended daily dose of fruit and vegetables. We look forward to hearing about all the delicious meals the children have tried and even seeing them being brought to school in their lunch boxes.

What people are saying...

What a relief to come across a program that preserves the dignity of the child, maintains the self control of both the parent and the child and is actually easy to remember when memory is the first thing to go!

I realized quickly that the 1-2-3 Magic can be a magnificent preventative measure that any parent can use to avoid raising a child, who later down the line, needs excessive discipline or grow out of control

• An end to the arguing and yelling! • It saved our lives • Simple, sane, effective

Grandparents' Day

On Thursday 26th July we had our annual Grandparents' Day Morning Tea. It was wonderful to see so many grandparents! Again, we asked our school community for their assistance by bringing in a plate of food. The response was overwhelmingly generous. With the huge variety, our grandparents were spoiled for choice! The P&F is very grateful and would like to thank everyone for their support for our Morning Tea. The P&F cannot put on these events without the support of helpers. Many of them come every time we ask for assistance. Thank you to all the sensational mums who answered the call! *These wonderful photos were taken by Mrs Lee! A big thank you!*

LEARN THROUGH PLAY!

We are a new after-school innovative program that follows a modern approach to learning. We encourage our students to learn through play, which results in open-ended creativity and a love for learning. We teach Primary students Science, Technology, Engineering and Maths principles in a fun and relaxing environment. Entrepreneurship training is another key focus at SKC. **Facebook: SteamKidsClub**
