Term 1 Week 11

Thursday 12 April 2018

From the Principal

Dear Parents

At the end of Term 1, it is important to acknowledge what the children have achieved to date over these past eleven weeks. We can see the commitment and engagement to their learning and it provides a great foundation to build on for Term 2 and the rest of the year. We thank our children for being actively present in their learning and showing respect for their peers, staff and community.

Thank you to our families for their support and attendance at the 5 minute Meet and Greet with the classroom teachers and to our teachers for the work they do in the classroom to make sure that we maximise the learning for the children.

Thank you to the parents who act as volunteers with the Stop and Drop and who assist on excursions, in the classrooms, and with the P&F activities. All these efforts and commitment make St Michael's such a wonderful community.

Parent / Teacher / Student conferences

Parent / Teacher / Student conferences will be held in Term 2 Week 3. An online booking form will be sent home next term.

Student Teachers

Twenty two students from the Australian Catholic University will be with St Michael's for the next five Tuesdays and then for a block. It is a wonderful opportunity to work with these up and coming teachers.

Staff changes Term 2

Tomorrow we say farewell to Mrs Tanya Eastaway, Finance Officer, who will be moving to another Diocesan school closer to home from Term 2. We thank Mrs Eastaway for her professionalism, hard work and friendship during her time with us and we wish her all the best in her new school.

From Term 2, Mrs Rasha Azar, will be the new finance officer. We know our school community will warmly welcome her into her new role with us at St Michael's.

In Term 2, we welcome Mrs Irvine-Hendry who is returning from maternity leave and will work with Mrs Siountris and the children in 1SM Blue. We thank Mrs Michie for her work in Term 1 with the children in 1SM Blue.

Reflection

Our life is a gift that comes to us through a graciousness that is beyond our understanding. Every adult and every child has a talent and an ability to contribute to the good of the broader life around them.

But are we daring enough to "stick our neck out" or "go out on that limb" to realise the potential of our ability?

We can "if" and "but" about life too much and before we know it, life has passed us by. As someone once put it, 'Too often opportunity knocks but by the time we push back the bolt, undo the two locks, take off the three chains and turn off the alarm, it's too late.' When attempting something new or different, we must not be afraid to make mistakes. If we want to achieve something we have to be prepared to take the knocks and experience failure. Life is a little like playing chess; as some of the chessmen move forward they may be beaten, but they may set up a winning game.

Helen Keller tells us that if we focus on strengths, such as courage, determination, perseverance, and not on deficits, "the ifs and buts", we will eventually bring out the best in us.

What's more, the influence of our decision will spill out into our family and affect our children. Strong positive action by parents will set a climate of achievement for children, who will be encouraged to dare to stick their necks out and go out on their limbs of personal endeavour.

"Lord, We pray for the wisdom and graciousness to be present in our daily interactions with others.

May we see the true gifts of each individual we meet and accept and honour individual differences.

May we have courage and resilience in our daily challenges and find support when it is needed.

May we have the strength to stay positive, despite life's set backs.

May we continue to love one another each and every day and extend compassion in all our dealings with each other. Amen."

Wishing you every blessing for the holidays.

Religious Education

St Michael's Parish Sacramental Programs

If you have any questions or concerns regarding the program or other Sacramental Programs, please contact the **Parish Office on 9639 0598**.

Project Compassion Caritas Appeal

We would like to thank the children and families who have supported the Project Compassion Box appeal. A total of \$412.85 was raised. The money raised will go towards establishing humanitarian projects focused on education and creating change in the lives of the disadvantaged people in the countries in our region.

Through fund raising programs like these, we can all help to provide vital learning and renewed hope to children, women and men most vulnerable to extreme poverty and injustice.

New School phone number

9865 1600

The school's main telephone number has changed to **9865 1600**. Please update your mobile phones with the school's new phone number which is now in operation. The previous number is still in use for the next six months.

School Zones

A reminder to all our parents ahead of the break at the end of Term 1 that school zones remain in place for the safety of our children and families.

School zones operate on all gazetted school days, which are all days the school is open, even pupil free days.

Social Skills and Mantras Program

Week 11: The Network Hand

- The children list five people, from various areas in their life that they trust and can go to if they need help. These people must be over 18 years of age.

Week 1: Mantra 3 - Dobbing verses telling

- Are you dobbing or telling?
- Dobbing', is when you are trying to get someone into trouble.
- 'Telling', is when you are getting your **EARLY WARNING SIGNS**. You feel unsafe, so you must tell someone you trust who will listen to you. At school this is a teacher.

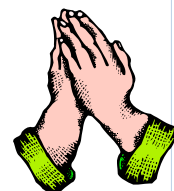

Week 2: The Circle concept

- The 'Circle concept' teaches a child about personal space and appropriate behaviour with others, depending on what their relationship is to the child.

Prayers

We pray for those in our community who may be unwell or suffering at the moment.

We ask this through Christ Our Lord, Amen.

2019 ENROLMENTS

Over the next three weeks we will be contacting families who have submitted an enrolment application for 2019.

We will contact you to organise an appointment for you and your child to attend an interview at the school during May-July.

Enrolment applications are still being taken for 2019. We would ask that families with siblings who will be attending the school in 2019, please submit their applications during this enrolment period.

For further enquiries please contact the school office on 9865 1600.

NAPLAN Assessments 15-17 May

NAPLAN is an annual national assessment that provides parents, schools and policy makers with an important snapshot of information and how well students are performing in the key areas of literacy and numeracy.

The assessments are an opportunity for students to demonstrate what they have learnt in class. Teachers use these results to meet the individual literacy and numeracy needs of all students. NAPLAN takes just a few hours out of a few days every year, and has become a routine part of the school calendar. NAPLAN test days should be treated as just another day in schools.

Students should not stress about NAPLAN. Basic familiarisation with NAPLAN is appropriate, but beyond that NAPLAN is not a test for which students can or should 'cram'. All Year 3 and Year 5 students are expected to participate in the NAPLAN tests. There are four tests covering numeracy, reading, writing and language conventions (spelling, punctuation and grammar).

NAPLAN 2018 tests timetable

	Tuesday 15 May	Wednesday 16 May	Thursday 17 May
Year 3	language conventions 40 minutes writing 40 minutes	reading 45 minutes	numeracy 45 minutes
Year 5	language conventions 40 minutes writing 40 minutes	reading 50 minutes	numeracy 50 minutes

Castle Hill RSL ANZAC Day Primary School Educational Kit and Children's Tour

On Tuesday, 3 April the School and Vice Captains went to Castle Hill RSL Club for the launch of the ANZAC Day Primary Schools Educational Kit and tour. At the RSL Club we had a special guest speaker named, Adrian Talbot. He talked about being a war veteran and what it is like to be a leader representing your country. He also talked to us about being injured whilst playing tennis and then being diagnosed with osteoarthritis which weakens the bones and joints in your body. After this he was then deployed to the Afghanistan War in 2006 and he shortly thereafter found out that he had post traumatic stress issues.

This illness occurred because during the war terrible things happened, including losing many friends who died during the war. All of these issues cause him to lose sleep and have continuous nightmares of his time during the war.

As well as Adrian Talbot speaking, we also had a man who was involved in the Anzac War in Gallipoli. He talked about his service and how many men and women fought for peace in their country.

These speakers were very inspirational as they both encouraged us to be a leader and serve others.

Adrian is admired as even though he was struggling with an illness he overcame it and managed to become involved in sport. Sport was something Adrian always loved and won two gold medals at the London 2014 Invictus Games. On the day we learnt about ANZAC spirit and three main things. The ANZAC spirit consisted of leadership, courage and respect for those who fought for our nation. This experience taught me admiration for soldiers and those with courage to fight for what they believe in.

Daniel Cavallo

We should all have courage, determination, responsibility and compassion. How can we show them: courage - do what may be outside your comfort zone if you know it's the right thing, determination - never give up, responsibility - take up all your responsibilities with pride, compassion - be compassionate to others and help them as much as possible.

Always remember the people who risked their lives to fight in the war for Australia. In Sydney this year the Invictus Games will be played for people who have gone to war.

Marriage breakdown is usually a traumatic experience for all concerned.

The Church reaches out in support of those whose marriage has broken down, while upholding the permanence of a true Christian marriage.

Many separated and divorced people and their families wonder about their status within the Catholic Church, and begin to ask such questions as ...

What is the basis for an annulment?

How does an annulment differ from a divorce?

How long does it take?

Are children of a marriage declared null considered illegitimate?

At this Seminar you will have the opportunity to have these and other questions clearly answered.
