Term 2 Week 4

Thursday 24 May 2018

From the Principal

Dear Parents

Mother's Day Liturgy Thank You

We would like to thank everyone involved with our Mother's Day Liturgy on Friday, 11 May and for making this event such a special and memorable one for everyone in our St Michael's community.

We appreciate all the effort, dedication and planning that goes into the preparation of such a big event, especially from our staff, the students, and our P&F committee and volunteers. This year the P&F planned a breakfast event which we estimated was attended by more than 600 members of our community. A big THANK YOU to the P&F Committee and volunteers who prepared and served the breakfast.

Enrolments for Kindergarten 2019

Enrolments are currently underway and interviews are taking place. If you have children who will be attending in Kindergarten 2019, please collect an enrolment pack from the school office.

We will be having another **Kindergarten 2019 Enrolment morning on Wednesday 6 June from 9.30-10.30 am**. Please contact the school office on 865 1600 for further information.

Parent / Teacher / Student conference

Thank you to all our families who took the opportunity to attend the Parent / Teacher / Student conference. This was a chance to talk about your child's learning to date and the learning needed for the next part of the year. Please always keep the communication lines open between yourself and the school. If ever there are any concerns always contact your child's teacher or the Learning Leader on the grade. Matters not resolved can always be taken to the Assistant Principal or Principal.

Courtesy and Politeness

Remember those days when we used to say "please" and "thank you" and "excuse me" and even made so bold a gesture as to open a door for an elderly person or to give preference of entry to a mother with small children. There was even a "once upon a time" era when parents tutored their children to give up their seat on a bus to an adult, particularly a woman, and to refrain from rowdy behaviour when in public places. So what has happened to courtesy and politeness and respect for the presence of other people. For many people "good manners" have come to be viewed as superficial and hypocritical – if they are actually thought about at all.

Courteous behaviour sets a standard of self-respect and respect for other people who then feel valued as fellow human beings. If we, personally, set out to grow as unique persons, then, we will learn to respect the uniqueness of others.

As the first educators of their children, parents need to present themselves as strong role models to emphasise the importance of manners, courtesy, politeness and common respect. There is a "hidden" message in the following observation concerning the influence parents have on their children.

Children are natural mimics who act like their parents despite every effort to teach them good manners.

'As a Christian I bear the name of Christ. I strive to think and feel and act as he might. I pray that today, and every day, I may see with his eyes, listen with his ears, speak with his words, and touch with his hands.' Amen.

Wishing you every blessing for the week ahead.

Attention all parents Kindergarten to Year 6

"We would love to hear from you to help us further improve the education we provide."

From Monday 21 May 2018 we will be inviting teachers and parents to provide feedback on their experience of our school using an online survey. Students from **Years 4-6** only will also be invited to participate. The surveys are an important part of our whole school evaluation and planning process.

We would like to invite you to complete the *Tell them From Me (TTFM) Partners in Learning* survey. As we value the role of parents and carers within our school community we would greatly appreciate your feedback. The information you provide will be used to maintain our commitment to working together in partnership to further improve student learning and wellbeing at St Michael's.

The survey is anonymous and will take approximately 20 minutes to complete. You are able to access the parent survey on your computer or mobile device.

We encourage all families to take the opportunity to provide this very valuable feedback to our school.

To access the survey, please click on the link below:

<https://www.tellthemfromme.com/stmichaels2018>

This link is available on our Skoolbag app and our website.

Calls to and from teachers

Please note that teachers cannot take phone calls in class time or during their rostered duty times.

Teachers try to return phone calls as quickly as possible and will return your call at their first available opportunity.

Thank you for your understanding.

Bus Timetable June 2018

The timetable for most public routes of Hillsbus are changing. Students catching the public routes are encouraged to check. The new bus timetables are available on www.transportsnsw.info

An amended bus timetable effective from Monday 4 June has been published and is available on our website under School Notes.

Route 2016 will commence 5 minutes earlier at 8.12 am from Norwest Boulevard.

St Michael's OOSH is currently hiring

We are looking for a Group Leader for a fixed term contract and OOSH Educators in both a permanent and casual capacity.

Sport

Congratulations to all students who travelled to Canberra on Friday 11 May for the Mackillop winter sports trials (soccer, rugby league, netball, hockey). Well done again for being selected in the Parramatta Diocesan team for your sport and well don't for braving the weather that Canberra had to throw at you, max of 9 degrees, howling wind and sleet.

Three students performed particularly well and were selected in the Mackillop team to play at the PSSA Championships later in the year.

Raymond Maikhael - Opens Rugby League

Great job and good luck at the next level of competition.

Meditation/Reflection time in Year 5K Blue

Students in 5KBlue start each day with prayer/meditation time. Each morning the class has a prayer circle where students gather for prayer. During this time, the morning offering is said and a cross is passed around where students spend quiet time meditating. It is a time where they can spend with God, reflect on his presence and pray for their needs. With our day being so busy, we find this time precious and re-energising and a sacred time to chill out with God. We also have two students each week prepare prayer and present it to the class. This involves putting together a powerpoint presentation and taking home the class prayer book that is passed around to all the families in the class. When the prayer book is taken to the families, each student writes a prayer with a member of their family. This prayer is then shared with the class the following week. The prayer book is a way of uniting our families together through prayer where as a class we pray for each other's needs. Often photographs of loved ones are shared in this book.

Classroom News - From 4 Green

The people at Clean-Away are trying to help make a sustainable future possible. To achieve this, they continue to provide sustainable solutions to minimise impact and maximise value from the waste that they manage.

Last Wednesday, people from Clean-Away came to our school to talk to us about the importance of **recycling** and reducing the amount of rubbish that goes into landfill.

In Geography, Year 4 students have been learning about **sustainability** and have set up an inquiry process to look into **natural vegetation and natural resources** to determine the **impact** we have on the environment.

It was beneficial to have the hands-on experience that the incursion provided for us to extend our thinking about what we can do to help the environment.

For example, did you know that by recycling just one can, we help create 3 hours of energy to power a television?

And that one tonne of recycled paper and cardboard can save 13 tonnes of paper?

We heard about the items that are recyclable (eg paper, cardboard, aluminium and steel cans, glass and plastic) and are put into the bin with the yellow lid and taken to a MRF (Materials Recovery Facility) for sorting and organising.

We learnt about **natural resources** and how they are used. Most importantly, we came to realise why we need to be **sustainable** in our use of natural resources and how to care for what we have, **in readiness for future generations**.

Social Justice - Being positive

Our school social justice skill this week is about being positive. Some children in 4 Green have shared some of their ideas on how they can be positive.

I can congratulate and be happy for people that got something good. I can ignore the people around me that distract me and I can stay positive by complimenting people. *Shanelle*

I can compliment people and congratulate them if they get a reward. I can ignore bad things. I can say something nice to someone. If someone says something bad about me, I can take a deep breath and walk away. *Laura*

I can stay away from the people who are negative. *Christiane*

Try to avoid people who say negative things to you. Say nice or positive things to people, you could say "Wow, your eyes really suit you or your outfit is really nice." *Olivia*.

I can be positive by being optimistic and understanding. If one of my friends is leaving the school, I can know she is leaving for a reason. I know that we can try and keep in touch and I can remember that I have been through worse. And I can always remember to try and find the bright side. *Ellen*

MOTHER'S DAY BREAKFAST FRIDAY 11TH MAY 2018

Wow. What a morning! Our first time hosting a breakfast for our Mums. We had well over 650 RSVP's received for our Continental Breakfast. All went smoothly for a maiden event. A HUGE thank you to our helpers. We couldn't do it without you! Thank you Harcourts Hills Living for part sponsoring our event. You all probably met Kevin - he was the guy handing out pasties on the loooooong coffee van queue! A very BIG thank you to them! Speaking of coffee, we also extend a massive THANK YOU to Megan Ireland and Sip Happens Cafe. The very long queue is a testament on how awesome their coffee is.
