Issue 4

Term 1 Week 8

Thursday 21 March 2019

## From the Principal

Dear Parents

### Harmony Day—"Everyone Belongs" - 21 March

Harmony Day is a day to celebrate Australian multiculturalism based on the successful integration of migrants into our community. Australia is the most successful multicultural country on earth and we should celebrate this and work to maintain it.

Harmony Day is about inclusiveness, respect and belonging for all Australians regardless of cultural or linguistic background, united by a set of core Australian values. Our children will take part in a special assembly on Friday to celebrate this day.

### School Attendance

It is important for your child's wellbeing and academic progress that they attend school regularly and complete each school day. Children need to attend school every day from 8.45 am until 3.10 pm unless illness prevents their attendance.

A number of children each day are arriving late to school on a regular basis. Please consider leaving home a few minutes earlier so that your child is at school before the 8.45 am bell. Being late or taking your child early from school, particularly on a regular basis, may hinder their personal and academic progress. This is often reflected in school reports.

Parents taking their children out of school on a regular basis will be contacted by the Principal. Should you need to take your child out of school early on an unavoidable occasion, a note should be sent in to the class teacher. This will minimise the interruption to learning time for all students. Please avoid disruption to teachers and students by arriving unexpectedly to pick up children without prior notice.

### Learning

On Monday night, the Leaders of Learning and I had the opportunity to listen to a presentation by Eddie Woo at the Australian Council of Educators dinner meeting.

Eddie Woo has recently been appointed to the role of Education ambassador at The University of Sydney to be 'an advocate for the importance of all teaching'. Eddie is also Leader, Mathematics Growth with the NSW Department of Education and author of *Woo's wonderful World of Maths*. Commenting on his appointment as Education Ambassador, Eddie said, '*Education has the power to fundamentally change the trajectory of an individual life, a family, and the wider community.*'

Eddie talked about the importance of working in collaboration. He believes that collaboration helps us to be innovative. Our students need to be able to explain what they are learning. That's why in each of our classrooms our students are expected to be able to answer five questions about what they are learning. The focus is always on the learning not the doing.

Both Eddie and the second speaker, Lyndall Foster, who is the Executive Director of Curriculum standards in NSW emphasised the development of soft skills:

Collaboration

Creativity

Team work

Problem solving

Applying knowledge across all areas

Unlocking student potential

At St Michael's we value the importance of developing these skills in our students.

### Prayer

*O God, You created all people in your image.  
We thank you for the astonishing variety of races and cultures in this world.  
Enrich our lives by ever-widening circles of friendship,  
and show us your presence in those who differ most from us,  
until our knowledge of your love is made perfect in our love for all your children .  
Through your Son, Jesus Christ our Lord, Amen.*

Please keep in your prayers the victims and their families of the horrific terrorist act in Christchurch, New Zealand and all the victims of discrimination and persecution everywhere.

*Wishing you every blessing for the week ahead.*

*Damita Maka*

### Religious Education

#### Project Compassion

The theme for Project Compassion 2019 is based around **Hope** and giving 100% in the name of hope. It is great to see students in each classroom generously donating money towards this social justice action appeal.

This third week of Lent, we will hear the story of 16 -year-old Peter who goes to a boarding school in the Solomon Islands which has experienced water shortages for 60 years. Previously students would have to walk kilometres each day in search of clean water. This was particularly challenging for Peter who is living with a disability.

Peter's mother left the family when he was little and has since passed away. His father decided to move from northern Malaita to Honiara, to better provide for his family. He arranged for Peter to stay with his aunt, then attend Aligegeo Secondary School.

Groundwater sources at the school have dried up and rainfall is unpredictable. Water in surrounding wells often made students sick or gave them rashes.

Caritas Australia, and partners Caritas Solomon Islands (CASI) and the Solomon Islands Government Rural Water Sanitation and Hygiene division (RWASH), have teamed up with the school to tackle the problem.

CASI provided a 90 kilo-litre water tank, electric pump and technical advice, while the Malaita Provincial Government contributed labour. Staff and students took part in training, dug trenches and are helping with a water management plan.

The school now has a safe, reliable water system, servicing around 1,000 people.

*"Now we can stay at school to wash and not interrupt our official class time," Peter said.*

Peter hopes to focus on his education and to help others in future by working for an aid and development agency himself.

During each week of Lent, the children will be given the opportunity to reflect on the positive impact the donated funds are having on the lives of different people in poverty.

#### Parish Youth

For those in Years 5-6: On Friday 29 March at the Downey Room from 7.00-8.30 pm, join the youth movement for an evening of food, fellowship, games and talks. We will be breaking open the 'new commandment', and what it looks like to live in a community where we love each other as we do ourselves.

If you have any questions, please contact the Youth Minister Paul Fam, on 0407 773 174, or send an email through to [youth@parishofbaulkhamhills.org.au](mailto:youth@parishofbaulkhamhills.org.au)

### Social Skill Tips for Parents

#### Week 9: Mantra 1—Stop! No! Go

- Stop! I don't like it when you \_\_\_\_\_ (name what you don't like).
- No! I asked you to stop \_\_\_\_\_
- If the behaviour continues: Go and tell the teacher on duty.

#### Week 10: Mantra 2—Public & private behaviour and language

- Public or Private? *Children need to be responsible for their language and actions.*
- Certain behaviour may be acceptable at home or in a private place that is not acceptable in the classroom or playground.

### Prayers

We also pray for those in our community who may be unwell or suffering at the moment.

We ask this through Christ Our Lord, Amen.

## NAPLAN

NAPLAN assesses literacy and numeracy – important skills that each child needs to succeed in school and life. The NAPLAN tests are designed to help us make sure students are on track with their literacy and numeracy development. Students in Years 3, 5, 7 and 9 participate in NAPLAN tests for reading, writing, conventions of language (spelling, grammar and punctuation) and numeracy.

Between 14-16 May 2019 our school will participate in NAPLAN Online. Students do not need to be computer experts to take the NAPLAN test online. Making sure students have computer skills is part of our school curriculum, and our teachers will ensure your child is familiar with the online format. To see the types of questions and interactive features of NAPLAN Online, visit the public demonstration site: <http://www.nap.edu.au/online-assessment/public-demonstration-site>

If you have any questions about NAPLAN Online, please contact your child's teacher.

The students in Years 3 and 5 will participate in **ONLINE PRACTICE TESTS** during the next two weeks—Weeks 9 and 10.

**All Years 3 and 5 students require ear buds for these online tests.**

## Medication

**For safety reasons, medication is not to be self-administered.**

### Catholic Education Office leaving the school policy:

## *The Mysterious Unicorn at school*

*“This is so strange, it can’t be true,” said Ellen [Year 5]. Nicholas [Year 5] said he thought it was a very odd thing to see, and Grace [Year 2] said “I felt weird when I saw it.” “It was strange as it was so close to St Patrick’s day,” thought Daniel. [Year 6]*

Our classes were told we were going to look at a strange thing in the school gardens. This was Monday morning, March 18. We were all very confused. Why were they getting us to look at this? And what was ‘the strange thing’? Most people were astonished to see a unicorn in the middle of a garden.

We took a pencil, paper and a clipboard and walked up to the garden to see a mystical inflatable unicorn covered in dirty towels and next to an esky full of food. The strange thing about it was that it was tied to a tree and next to a drain. All of it was surrounded in police tape.

Our teachers then told us that we had to write a narrative about what we saw using the scene in front of us as a stimulus. All students wrote and we are looking forward to sharing some of them with our community. Watch this space!

St Michael’s Media Team - Daniel G, Jemma A, Kristijan M, Matthew U, Patrick J

Ps. A synopsis from Matthew ‘s writing [Year 6] ... *A family who went to the beach and the little boy got stuck in a rip with his inflatable unicorn. They landed in St Michael’s where they had to find a way back home...*

# TURN OFF SCREENS + get active!

Screens can be great for learning, play and communication. Too much screen time can be unhealthy. Try to sit less and move more.

### TIPS TO MANAGE SCREEN TIME

 Eat together as a family. No screens at meals for parents and kids.	 Before screen time - sleep, play outdoors, read and enjoy family time.	 No screens in bedrooms, especially at night.
 Take toys or books instead of screens when going out.	 Monitor kids' screen time. Set limits if needed.	 Sit less. Move more. Move every hour.
 Help kids sleep. Stop using screens 1 hour before bed.	 Parents - be a good role model. Reduce your screen time too.	 Dance to music, or play video games that get you on your feet.

## **News from Mini Vinnies!**

2019 has brought another enthusiastic and committed group of Year 4, 5 and 6 students to show their faith in action through the Mini Vinnies group.

The group have started knitting scarves for the St. Vincent De Paul winter appeal. For many of these students, it is the first time they have picked up knitting needles. They have shown persistence and patience when learning and are rising to the challenge.

**In Mini Vinnies we want to be involved in this knitting project to help!**

**\*We can help others stay warm in Winter by us learn to knit.**

**(Olivia.H, Olivia.T and Grace.M)**

**\*We can help support others in need in our community to be warm and safe. (Savannah.A, Isabella.H and Olivia.J)**

**\*We can help keep others feeling warm, happy and loved.**

**(Chloe.M and Eadie.V)**

**\*We can help those in need by making a difference.**

**(Mia.A and Siella.N)**

**\*We can help keep others from getting an illness if cold. (Emily.R)**

**\*I help because I have been inspired by events to help others. (Reef.M)**

**\*I want to help because it makes my heart feel warm and I like spending time with my Nan. (Charlotte.U)**

Thank you to the mothers and grandmothers who have already volunteered their time to teach the group how to knit.

If anyone else in our St. Michael's community would like to help with this initiative, Mini Vinnies runs every Tuesday from 1.10-1.40pm. Any donations of knitting yarn and knitting needles would also be appreciated.
