Term 3 Week 8

Thursday 10 September 2020

## *From the Principal*

Dear Parents

### *Sacrament of Confirmation*

Congratulations to the students who have been confirmed or will be confirmed this week. Confirmation gives us a deepening of the gifts received at Baptism. These gifts need to be used if they are to fulfil their potential value. We pray for our children in the words of the celebrant who laid hands on them.

*"Send your Holy Spirit upon them to be their Helper and Guide.  
Give them the Spirit of Wisdom and Understanding,  
The Spirit of Right Judgment and Courage,  
The Spirit of Knowledge and Reverence.  
Fill them with the Spirit of Wonder and Awe in Your presence. Amen."*

### *R U OK? Day*

Congratulations to our student leaders who have planned our celebration of R U OK Day.

*"Today Thursday 10 September is R U OK? Day, on each playground is a yellow bench to help kids without anyone to play with to meet friends. Every child in the school participated in a banner, where they placed their handprints. This represents that we are all in this together and everyone should have someone to talk to. R U OK? Day is about encouraging people to ask if they are OK and make a connection with someone new. After today, we hope that everyone can go home feeling like they belong and have someone to talk to. We want to get the message across that everyone has the right to feel OK." Year 6 Leaders*

### *St Michael's Feast Day Celebration Thursday 24 September*

We will be celebrating St Michael's Feast Day with a school Assembly for the children via Zoom.

### *Staff Development Day—Friday 25 September*

Our staff will be undertaking a Religious Education professional learning day on Friday 25 September. The school will be closed and no supervision will be provided. Please make alternative care arrangements for your child/ren on this day.

*(continued over the page)*

## *Classes for 2021*

Early next term our teachers will be working together to formulate our classes for 2021. Our goal is to form parallel, even class groups in each grade.

The teachers look at the learning needs of each student, their behaviour and their social, emotional needs.

If you believe your child has any of the above needs which should be considered for their placement in a class for 2021, please put this information into a letter to the Principal.

This is not an invitation for you to nominate your child's teacher. It is however, an opportunity to highlight any special needs that will help the teachers form class groups for 2021.

Teachers will also provide the children with an opportunity to nominate 2 or 3 friends that they would like to be with in 2021. The school will endeavour to have at least one of their friends progress with them if this is in your child's best interest.

On Wednesday 16 December at 2.00 pm our children will have the opportunity to meet their 2021 teacher together with their new classmates.

## *St Michael's Facebook Page is coming soon*

To help us to continue to share all the wonderful learning and teaching happening at St Michael's, we are very pleased to announce that we have created an online school presence using Facebook!

Our students and teachers do so many great things and we would love to be able to share photos and videos with our school community and their families.

With this in mind, we feel it is important to remind all members of our school community about some important communication protocols. The welfare of each member of our school community is everyone's responsibility, so we ask that we all do everything possible to engage online with each other in a way that is always respectful, and acknowledges the dignity of every person.

No social media site should ever be used to criticise teachers, students or other parents. Please think carefully before posting a comment online to avoid causing hurt or embarrassment.

We also remind everyone that as a parent and carer, you are your child's first role model when it comes to online behaviour. Make sure your online conduct demonstrates how they can use social media respectfully and safely. There are also legal implications around what people are able to post and share about others. Behaviour or language that is not appropriate in a school or classroom setting is not appropriate on social media channels created for educational purposes.

The idea of privacy in the online world can be confusing but essentially posting or sharing personal information about another person online requires consent.

If you do not wish for your child to have their image included in Facebook posts, please contact the school to complete an **updated media consent form**.

We appreciate there can be a variety of views about particular issues.

We urge anyone who has a concern to approach the school directly so the matter can be addressed appropriately.

If you are interested in more information about online safety you can visit:

### *Medication at school*

If your child needs to take medication at school, parents need to bring the medication to the school office and fill in the relevant medication forms authorising for it to be dispensed during school hours. This includes children who take regular medication.

If your child needs medication on a regular basis, please ensure that you provide a letter of authority from the prescribing doctor and provide the medication in the original labelled container.

It is Catholic Education Diocese of Parramatta (CEDP) policy that children are not to be given medication to bring to the school office or to keep medication in their school bags. This is for the safety of all children on site.

Should your child's medical status change at any time or if you have any questions about medication, please contact the school office on 9865 1600.

### *Canteen*

If you have late or changed orders or need to follow up any instances of items not received please contact Healthy Canteen on 9678 9242.

Eternal rest grant to her Lord. Let Your perpetual light shine upon her. May she rest in peace. Amen.

We ask this through Christ Our Lord, Amen.

## 2F—Miss Flannery

Over the past weeks, 2F have been discussing and exploring people from our past and present who have changed our world.

In Religious Education, we are learning about Jesus' Mission and what our own Catholic mission is.

In History, we are exploring the past and how technology, ideas and mistakes have affected how we live our life now. We have investigated why we celebrate different events.

In English, we are acknowledging wonderful authors and people that affect us in our daily lives.

We have been looking at important people and their individual missions:

- Will D - "Nathan Gremmo saved lives by donating his organs."
- Trisha and Tayah - "Mary MacKillop educated little kids and became the first Australian saint. She built orphanages."
- Mia & Celia- "Catherine McAuley was a Mercy Sister. She was dedicated to providing education to the poor."
- Isaac, Mila B & Charli- "Jesus' Mission was to die for us so he could forgive our sins. He taught us what is right and helped us to be better people."
- Dom - "Dr Fraser was the first lay principal (not a Nun). Her mission was to make this school a great school."
- Madie - "Malala's Mission was to get girls to go to school. Girls couldn't go to school and she wanted to learn. She thought it was very important."
- Josh - "Ann-Marie Quinn was the first principal of St Michael's."
- Harry - "Mother M Clare started the Mercy Sisters in Ireland and then she came to Parramatta. The Mercy Sisters followed in God's footsteps and started this school."
- Isabella - "Thomas Edison created the phonograph and changed our lives by allowing us to listen to music from the comfort of our homes."
- Connor - "Elena Piscopia was the first woman ever to get a PhD. Ever since she first started to learn, she never wanted to stop. She wanted to learn everything!"
- Sofia - "Mary raised Jesus and taught us how to be kind."
- Mila J - "Everybody is important. Our mission is to forgive others and make the world a better place."
- Gabby - "Teachers are important because they teach us."
- Kiara- "Dr Jane Goodall is important because she cared for Chimpanzees. She wants us to take care of the environment."
- Daniel - "St Patrick because he freed the Christian captives. He is a Saint from Ireland."
- Ryder - "Pope Francis tells us to forgive others and share with them."
- Cruz & James - "Father Paddy is important because he created the school. He wanted people to learn and have knowledge."
- Ashton & Zach- "God is important because he made everyone."
- William A - "Zacchaeus taught us that we could change our ways. He gave back four times the money to people that he cheated money from and then became a follower of Jesus."
- Travis - "Nelson Mandela invited the lawyer and the person who put him in jail to his house. He was teaching us how to be kind and to be forgiving."
- Jason - "Aboriginal Elders have been here for 65,000 years. They taught their children about the land."
- Lily - "Our Dads look after and love us. They even give us lollies and treats."
- Charlotte - "Grandparents are important to us because they care about us and take us to places."

## Year 3

*"Dads are most ordinary men turned by love into heroes, adventurers, story-tellers and singers of songs." Pam Brown*

Year 3 have reflected on the important male figures in their lives, identifying their hobbies and special qualities that they each possess. They have used their artistic skills to sketch, paint and decorate terracotta pots and fill them with a plant. These plants will act as a constant reminder that with love and care we can all grow to display these qualities like our fathers.

We would like to share some of our designs with you, and hope that all our fathers enjoyed Father's Day!

# TIPS FOR TALKING TO CHILDREN ABOUT PERSONAL SAFETY

Article 12 of the United National Convention on the Rights of the Child states that **children have the right to have a say in matters that affect them, and for adults to listen and take it seriously.**

## WHAT WE KNOW:

- Children have the right to feel able to speak up, and to be listened to, respected and believed.

- When we “tune into” children in everyday situations about even small worries, children are more likely to trust us and feel comfortable to tell us if something big is wrong.

- Speaking regularly to children about their safety is a powerful way to build open communication with them.

- It is always the responsibility of adults to keep children safe from harm - child abuse is never a child's fault.

## IDEAS FOR PARENTS AND CAREGIVERS:

- Help children to identify trusted adults (both within the family and outside) they can talk to, if they are worried, upset, or don't feel safe. Create a list together. Make sure the trusted adults know they are on your child's list.

- Remind children that they can talk to you or a trusted adult about anything, no matter how big or small their worry might be.

- Talk to children about how they know when they feel safe or unsafe. Help them to listen to their early warning signs (how their body feels), and to trust their feelings and instincts.

- Use everyday activities (such as preparing meals and snacks, going for walks, playing, shopping) as opportunities for conversations. If children are used to having lots of communication, it can make it easier to talk when big or tricky issues come up.

- Be open to talking about all kinds of feelings, including anger, joy, frustration, fear and anxiety. This helps children to develop a 'feelings vocabulary'.

- Show children that you can respond sensitively to negative emotions as well as positive ones when they express their anger, embarrassment, sadness or fear.

- Don't rush into problem-solving. Your child might just want you to listen, and to know that their feelings and point of view matter to someone.
